Issue August 2016

Web Address: [www.hucknallu3a.org.uk](http://www.hucknallu3a.org.uk)

The meeting is held on the second Wednesday of the month starting at 1.30pm at the Hucknall Leisure Centre.

## **Message from our Chair**

Hello and Welcome to the August edition of the Newsletter.

We did have an IT based difficulty in emailing the July edition and we apologise in advance in case that problem still persists when we attempt the August mailing.

There are times when technology goes wrong and we need to access some technical support. If so make sure it comes from a genuine tried and tested source.

I was 'lucky' enough recently to receive a phone call from a company claiming to offer technical support for my laptop. The caller said her name was 'Angela' and that she was working for a company linked to Microsoft. Angela did not have a Home Counties accent. Quite often I cut these callers off in their prime but occasionally I string them along and talk about double glazing or widow cleaning.

When asked for their company name, address and telephone number they invariably hang up.

Callers like this have no way of knowing about any problems on your computer.

They use databases, usually acquired illegally, to make numerous identical calls claiming to be working on behalf of Microsoft.

They have the occasional success in duping vulnerable targets by being aggressive and threatening to cut them off from Microsoft unless a sum of money is paid.

Their target group is older people many of whom have had previous minor IT problems and are therefore more likely to believe the fictitious information they are being told.

In the first half of our August meeting there will be a 15 minute presentation on fraud by Martin Cooke who is one of the team starting the new Mapperley U3A.

Best Wishes

**David Rose - Chairman**

## **FUTURE SPEAKERS**

**10th August** - Colin Bower - "My farcical career as the liaison officer on a cruise ship"

**14th September** - Ray & Sonja Kelly - "Volunteering in the South Sudan"

**9th November** - Stephen Walker - "The London Boys"

## **OUR SPEAKER(s) THIS MONTH**

### **Martin Cooke**

Martin will present a short 15 minute talk about "Tackling Fraud". This is an outreach campaign by Age UK. Over half of people age 65+ are targeted by fraudsters.

### **Colin Bower - "My farcical career as the liaison officer on a cruise ship"**

Colin was offered a job by British-India whilst he was between theatrical work. If it had not been for the passengers the job would have been marvellous. Hear his funny stories such as "When will the 10 o'clock film be this evening".

## **COMMITTEE CORNER - Notes from our Committee**

The committee met on Wednesday 3<sup>rd</sup> August.

We spent some time in pairs doing a 'SWOT Analysis' on our thoughts about Hucknall U3A. SWOT is an acronym for Strengths, Weaknesses, Opportunities and Threats.

It is a useful planning and development tool and together with your feedback from the recent Survey it will help us with our development planning this year.

Once this information is collated and analysed we will report back to the membership in some detail.

We are expected to have evidence of a development plan by the Charity Commission as part of our statutory application for formal charity status.

There was also a report from the Social Committee who are being very proactive in organising a forthcoming whole group event in October and they are already busily planning ahead for the 10 year celebration which is provisionally set for March 14<sup>th</sup> 2018.

## **SOCIAL EVENTS**

### **Musical Evening with a Hog Roast - Friday 7th October 2016**

Doors and bar open at 6.30pm, with the 'Hog Roast' being served from 7pm. ### MOBILE PHONE ADVICE

To all mobile users the following three reasonably non tech tips are definitely worth reading and remembering.

The emergency number worldwide for all mobiles is 112. If you find yourself out of the coverage of your network and there is an emergency dial 112 and your mobile will search any existing network to establish the emergency number got you and what's more this number, 112, can be dialled even if your phone keypad is locked. Try it out.

Imagine your battery is very low. To activate, press keys \*3370# your phone will restart with this reserve and will show a 50% increase in battery. This reserve will get charged when you next charge your phone.

How to disable a stolen phone. Obtain your 15 digit serial number by keying in the following digits on your phone \*#06#. A 15 digit number will appear on the screen. Write it down somewhere safe and keep it. Then if your phone is stolen, you can phone your service provider and give them this code. They will then be able to block your handset so even if the thief changes the SIM card your phone will be totally useless. You may not get your phone back but at least you know that whoever stole it cannot use it. If we all did this there would be no point in stealing mobile phones. I keep my 15 digit number on my wife's phone and hers on mine.

### CRAFT GROUP 1

In the crafting world we're already getting ready for Christmas. The TV Craft channels are advertising Christmas products and the paper suppliers are selling their Christmas paper ranges so at our meeting on Monday 15th August we will be starting on our first batch of Christmas cards.

You will need to bring a selection of Christmas papers with small patterns and some plain - you will not need large pieces so can use up your scraps for these cards. You will also need square card blanks, white and coordinating coloured card for matting and layering, bakers twine or embroidery thread in colours which coordinate with your papers, and ribbon and 'bling' to embellish.

Please forward articles for the next Newsletter to [hucknallu3newsletter@live.co.uk](mailto:hucknallu3newsletter@live.co.uk) by 2nd September 2016

In addition to your basic crafting kit you will need a pencil and something with which to draw a circle, the inside of a roll of double sided tape is ideal, and also stamps with Christmas greetings (and ink) or peel offs if you prefer and foam pads.

Finally please bring along all the star punches you have as we will be using a selection of different sized stars to make our cards.

## **CREATIVE WRITING GROUP**

The next meeting of the group will be Tuesday 27th September at our venue 'Tichfield Court' sheltered housing complex 1-3pm, and our theme will be 'The company of Women' which was selected from ideas from the group at our meeting in July.

...Happy writing and enjoy the summer. Janet Gibson, group leader

## **DICUSSION GROUP**

At the last meeting on Monday, July 6<sup>th</sup> we felt the need to discuss the outcome of the EU Referendum. Most felt that we need to embrace the result and move forward with it.

There will be no meeting in August. The next meeting will be on Monday, September 5<sup>th</sup>. We will be taking our newspapers along to the meeting again and using articles that catch the attention of members to initiate discussions. Do let me know if you are interested in joining us or you can add your name to the list on our board in the Activities Room. Christine Beer. Group Leader.

## **DINING IN GROUP**

Well we had surprises in June when we started off with a delicious fruit cup, courtesy of Con and ended with a 5minute Spotted Dick (according to Barbara but you can't do something that good in 5 minutes). She is selling the recipe I believe!!!

July 15 found us at Ann's soiree where she served 4 courses for 10 people with only a little waitressing help from us lesser mortals. Cold haddock mousse shaped like a fish and a super loin of pork in mustard and yoghurt sauce. Delicious.

Of course its not all enjoying ourselves eating, drinking and making merry---we do discuss world affairs, our next holidays and politics and hope that we make some difference.!

## GARDENING GROUP

Tuesday Aug 16th – Group visit by own transport to Felley Priory gardens – meet there at 11.30 then on to Sycamores House, Salmon Lane, Annesley NG17 9 HB meeting there at 2.00 p.m.

As it is own transport then lifts are required from generous members to assist those with no transport. Please arrange with Alan or Judith at August meeting ( 10th) or contact Alan on 07940146542 or [alansnaperpe@gmail.com](mailto:alansnaperpe@gmail.com)

Felley is £4.50 admission with food available to purchase. Sycamore house is £5 admission including tea and cakes.

## HISTORY GROUP

The Group is having a summer break now until September 21<sup>st</sup> when we return to Central Methodist at 2pm. This first meeting is members own research into 'Historical People' and the last time we did this we had some wonderful members telling us about historical people – some of whom we hadn't heard of but were so important. We learned a lot. Please think of someone you could talk about.

Would members like to get thinking caps on to consider the topics and visits for next season? Maureen Newton.

## HISTORY GROUP (FAMILY HISTORY)

The Family History Group is having the usual summer break until meeting again on Friday September 9<sup>th</sup> but visits may be arranged. Under One Roof is a good venue where we have access to computers and light refreshments are provided. I am usually available at the main meeting for a chat about research.

Looking further ahead check your diaries for Saturday 17<sup>th</sup> September when there will be another U3A Peak District Network Family History Conference at Buxton. The cost is £20 for the day including lunch. This network of U3As covers a vast area including areas of Lancs, Cheshire, Staffs., Yorks., Derbys. and Notts. of course. It is great to check out what other U3As are doing, chat to contemporaries and discover where their families came from. Speakers already booked are: Nick Barratt (researcher on Who Do You Think You Are and well known magazine article writer); Maurice Clarke (Heir Hunters Association). More news to follow later.

## LUNCH GROUP

The Lunch Group meets on the fourth Wednesday of each month at 12 noon (unless otherwise stated) at a different restaurant each month. The menus vary in price and content but hopefully average out over the year at a reasonable cost. It is an opportunity for members to meet together socially and try out different restaurants which, as individuals, they may not have had the chance to try before. We always have a quiz which is usually related to the venue or its theme. We hope you will find something of interest to your "taste" and look forward to meeting up with you each month.

On July 27<sup>th</sup> we went to the **281** Restaurant at 281 Nottingham Road, Mansfield. Our number was much depleted and I hope it was because it was the first week of the school holidays and many grandparents are called upon to child-sit during the school holidays. Others may themselves have been enjoying holidays, despite the changeable summer weather. Our "Addresses" quiz was won by Doreen Werle and Ann Lambert.

## **PUB QUIZ & LUNCH GROUP**

John Peters, our Quizmaster, is taking a break for health reasons for the foreseeable future but we do have five months' worth of Quiz questions which he has formulated so keep your thinking caps handy. Sandra Green is acting Quizmaster and in July the theme was "International Cities" and questions were based on London, Paris, New York and Rio de Janeiro. It's a good job points weren't taken off for bad spelling or else hardly anyone would have gained a point! At one stage there were seven different spellings of Toulouse Lautrec! The eventual winners were the "Mental Blocks" team, seconded by the "Whatever" team.

The subscription is £1 per person which covers each team's Quiz sheet and a raffle ticket for each member. There is a cash prize for the first and second team, with a £5 pub voucher for the raffle, along with a Bumper Bag containing donated items, for which our thanks are given to those who donated.

The next Pub Quiz & Lunch will be on Monday, 8<sup>th</sup> August at 12 noon at The Nabb Inn, Nabbs Lane, Hucknall. Just pay the subscription on arrival, then order your lunch at the bar and then put your thinking caps on. There is a Dingbats quiz just for fun, followed by the Quiz itself and then lunch, followed by the answers and the raffle. We are limited to 36 seats so please come early as it is first come, first served for seats in the alcove area.

## **READING GROUP**

There are now eleven members of the Reading Group which is our *absolute* maximum due to the number of seats I can provide as host! It has been a bit problematic getting sufficient copies of books as Hucknall Library has been closed for six months, but we are starting off again with the set book "The Road" by Cormac McCarthy which was a World Book Night chosen book and is very thought provoking. We are liaising with the Crime Café held monthly at Hucknall Library so that we can have a set of their books the following month, which will help me in trying to obtain sufficient copies for our group. In June instead of a set book, we all chose a classic to re-visit and it was sometimes quite surprising how well (or not) we remembered reading them the first time. There was no set book in July.

For any information about the Lunch Group, the Weekenders Group, the Reading Group, or the Pub Quiz & Lunch, please contact Sandra Green ([sandra.green80@ntlworld.com](mailto:sandra.green80@ntlworld.com) or tel. 0115 8408132) or check out the Hucknall U3A website.

## WATERCOLOUR GROUP

For those members who attended the July monthly meeting, they will know the success our U3A members had at the recent 'Byron Festival Art Competition'. Sue Tongue took third place, followed by Lynda Jackson taking second and first place went to Marguerite Hodgkinson all with pictures depicting 'Byron the Traveller'. The watercolour group are hoping to do a display of their entries along with a general display of their pieces at the August monthly meeting.

The next meeting of the watercolour group will be on Monday 5 September at Titchfield Court, Orchard Street, Hucknall starting at 2pm.

If you are interested in joining or wanting more information please contact Rose via the website or at the monthly meetings.

## WALKING GROUP (SHORT )

On the 10<sup>th</sup> June David Rose led a walk over the Misk Hills. Several members of the group were away on this occasion and as it was raining (not pleasant to walk in) there were only 7 people who walked on this occasion!

On 21<sup>st</sup> July Philip and Liz Attenborough took us on a very pleasant walk from the Broad Oak Pub in Strelley Village, across the fields to Cossall and back through the woodland to Strelley Hall. Once back in Strelley Village we were grateful for a drink and a much welcome lunch in the Broad Oak. Thankfully it was a little cooler than it had been earlier in the week. The weather was ideal for admiring the spectacular views across the fields – we even spotted Belvoir Castle in the distance. Albert had us looking for eagles, (most birds look big to Albert. Ed) which I'm sure were a figment of his imagination.

Future Walks - August 18<sup>th</sup> : Route Leader, Paul Healey. A walk up Burnstump Hill towards Blidworth Woods. We will meet at the Burnstump Inn, Arnold 9.45 for a 10.00am start, followed by lunch at the Burnstump for those who want to partake of it.

September 15th: Route Leaders Liz Edwards and Barbara Broomhead (yet to be confirmed)

If any member can offer to organise a route of a minimum of 4 miles and a maximum of 5.5 miles for later in the year please contact Liz or Barbara. We'd be grateful for your help. Liz Edwards ([lizedwards1950@hotmail.co.uk](mailto:lizedwards1950@hotmail.co.uk)) , Barbara Broomhead : ([b.broomhead@btinternet.com](mailto:b.broomhead@btinternet.com))

## WALKING GROUP (MID LENGTH)

In a major turn-up for the books, our walk around Burton Joyce in July took place on a really warm and sunny day. This was especially surprising as Steve Lawrence's walks have so far been mainly associated with rain!

We set off uphill and commented on the mainly large houses which we passed. At the top of the climb, we all paused for what we thought would be the coffee stop, but in fact we carried on, although mainly on more level ground. During the stop at the church Steve explained some of the history of Burton Joyce', including the origin of the name, and how Stoke Bardolph sewage works came to be built.

There followed a very pleasant walk along the side of a calm River Trent with a passing narrow boat, then back into Burton Joyce for a welcome drink. Fortunately, the cows by the riverside path were as docile as Steve had predicted. Many thanks to Steve and Anne Lawrence for organising this latest medium-length walk.

Our next walk will be from the Newdigate Arms at West Hallam on Monday August 15<sup>th</sup>.

## WEEKENDERS' GROUP

The Weekenders have planned a series of events up until August and there is an information slip available at the monthly meeting with all the details so please help yourself and come and join us. A copy of the programme will also be on the Hucknall U3A website. All events organised by either the Lunch Group or the Weekenders Group are open to all U3A members, regardless of whether they are regulars or not. Obviously places are sometimes limited so it's first come, first served; I should be grateful if you could let me know if you are interested in these events as soon as possible so that I can let other members know if I have places left.

On 16<sup>th</sup> July we had a day trip to the Crich Well Dressing. We started with coffee at The Family Tree in Whatstandwell, then on to Crich for the Well Dressing, six flower pictures excellently put together by various organisations in the village. We were then invited into the Baptist Church where we were given coffee and cakes, totally free of charge. There was a little confusion over the programme of events, compounded by the drizzly rain that started (as Peter Kay would say "the sort of rain that wets you"). We went back to the bus to shelter, then some took a chance on the weather to go to the Village Fete whilst others went to the nearest pub. Then the rain stopped so we all went to the Fete, where events included a Brass Band, Maypole Dancing, the start of a 10k uphill race, then a demonstration of Dancing Dogs. There were many other activities happening at the same time and later on but we had to come away at 2.30 pm in order to go to Alfreton House for Afternoon Tea, with an excellent presentation of sandwiches, cakes, scones and unlimited tea. The quiz on the bus was won by Marianne Simmons and Joyce Avery.

Then on 23<sup>rd</sup> July we had another trip out, to Boundary Mills near Rotherham, followed by lunch at Whitbys' Fish & Chip Restaurant close by. Good job the place was air conditioned as there was a lot of

trying on to be done by all the ladies. I think the best bargain hunter was Margaret Whilde who came away with a pack of two hotel quality bed pillows at a vastly reduced price. But we all managed to get our purses open, some wider than others. I bought three packs of Pierre Cardin men's socks for Christmas presents. You can't start too early. Christine Wheatley did a fashion parade for us popping in and out of the changing room and finally decided on a beautiful dusty blue lace dress; she just needs to occasion to wear it now. Then we went over to Whitby's Fish & Chip Restaurant; very tastefully decorated (air conditioned of course) and very prompt delivery of all our meals. The best fish and chips we have had for ages.

Of course there was the obligatory Fashion quiz on the bus, won yet again by Marianne Simmons with help from Angela Underwood.

We plan another outing, this time to Cromford Mills on 7<sup>th</sup> August, a lovely setting for shopping and Sunday lunch and there are a few places left on the bus.

We plan a Social Afternoon with a Wedding theme on 20<sup>th</sup> August at the home of Christine Wheatley.

Our Coffee Club get together was on 30<sup>th</sup> July when we showed off our funniest photos and the Coffee Club/Programme Planning session will be on Saturday, 27<sup>th</sup> August, so be ready with some new ideas please.
