Message from our Chair

Welcome to our January Newsletter and a very warm welcome to 2023, how the time passes and the years flash by.

Our next monthly meeting is on Weds 11th January, look forward to seeing as many of you there as possible, please ensure that you enter the building from the car park rear entrance and book in at the desk.

As always please try to remember to wear your name badges so that folks (especially new members) know who you are, if a group leader or committee member, again please wear your ID so that others know who they are talking to. Our committee members should all be wearing a lanyard with their name and function shown.

Please remember to either silence or turn off your mobile phones.

We are reserving some front row seats for those who have a hearing problem, please use them if you need to.

Well, another Christmas has past and we must now welcome a new year, 2023, it didn't seem possible that we could imagine seeing in 2023 when we were young.

I really hope that Christmas was a joyous occasion for all of you, with visits to and from family members and shared gifts and meals to think about during the coming cold months. I do of course know that for some it is a time of sadness and recollections of happier times, please, if possible, try and reflect on the happy time that sadness brings.

I was so thankful when the mid December freezing weather ended and we returned to the relatively warmer 5 degrees, who would have thought we would welcome back the rain and slightly warmer climes.

I would like to offer tremendous thanks to all who were able to donate to the Hucknall Food Bank, we collected the magnificent sum of £320, along with a quite few bags of food, all of which has been gratefully received. This will be a tremendous help as so many more families now have to rely on the food bank for provisions in these difficult times. Many, many thanks to you all.

A great big thank you to our Social Sub Committee for organising our Christmas Social on 4th December along with the String Quartet and the Ukulele Group for their entertainment, it was a really good and enjoyable event. We look forward to 2023 events.

Likewise, the (somewhat longer) film show "The Bishop's Wife" on the 14th December organised by our own David Rose, with the accompanying sausage rolls, mince pies, cakes, biscuits and drinks supplied as always by Christine and John Berrill, many thanks to you all.

Also, thanks to Kim and her staff of the John Godber Centre, who look after us very well, we would struggle without their support.

Hoping we will all have an active and fun 2023.

Melvyn Francis, Chair

News From the Groups

Film and Culture Group

Please contact me if you would like to be included in the circulation of the calendar each month at alansnape@hotmail.co.uk or 07940146542. This year I plan to separate off the cinema section into The Film Club and I will attempt to include a description of what each film is about and who is in each film. Alan Snape.

Flower Arranging Group

Decembers Flower Arranging Group met at Siobhan's home to have a fun filled afternoon creating Christmas arrangements and eating birthday cake and cupcakes. A variety of arrangements were made ranging from door wreaths to table arrangements. It was a bit like where you see how many people you can fit in a mini, but as always with this group everyone went home with a smile on their face and lovely items to grace their homes for the Christmas holidays.

The next meeting is February 6th at the John Godber Centre 1.30 – 3.30 when the title is recycle and reuse.

Fun With Languages Group

By the time you receive this it should be 2023! I hope you have all enjoyed a healthy, peaceful, enjoyable Christmas time. In our group we managed a lovely meal out at Moda, after much perseverance on Liz's part as we had booked Bella Mia, then they went bust!!

Thank you Liz for all your support for the group, and thank you too to all members who turn up for our meetings. We shall continue with Spanish for a while, as everyone wants to know how our drama is going to work out!!

Our last meeting in December continued this story plus a Xmas crossword and some lovely nibbles we shared together. I hope to see you at our next meeting on Thursday 12th January at 10.30 at John Godber centre in the Byron Suite.

Happy New Year, Liz Attenborough & Ann Murray.

Gardening Group

Our next meeting will be on February 14 when we go to Little Ponton Hall again, this time to see the snowdrops and early spring bulbs. This is a compact but beautiful garden with lots to see and refreshments are included in the price of the trip. All are welcome to join us, we leave Ogle Street at 9.00 am and return at 2.00pm. We will be taking names and cheques at the main u3a meetings in January and February.

We now have details for the meetings in 2023, and they have been emailed to members who have given their addresses, and there will be a few paper copies available at the January main u3a meeting. See you there,

Anne

History Group

The History Group always welcomes all U3A members especially new ones. Our indoor meeting place is Central Methodist Church: time 2pm – 4pm ish – on the third Wednesday of the month. Meetings are now in the Church Room which has proved much better for those members who have hearing problems. We have had some problems with visual images and sound but with help from Graham Daft of Central Methodist Church and special thanks to our member Greg they seem to have been overcome.

The next meeting is January 18th at Central when Peter Armour is coming to give a presentation on Derbyshire its Character and Characters. I look forward to seeing you then.

Did you know that the school on Beardall Street is 150 years old on 13th January 2023? To celebrate this special anniversary Sue Knight and I of Hucknall Heritage Society are putting on a display of images on the exhibition wall in Hucknall Library for the whole of January.

I close by wishing a Happy New Year to all members.

Maureen

Litter Picking Group

As expected December was rather a slow month for litter picking – unsurprisingly members had got other things to do on the run up to Christmas. However, two members discovered a way of shaking off a Christmas Day hangover on a cold and windy but sunny Boxing Day. They collected 3 bags of rubbish between them by chasing blowing litter near to where they live. That's dedication for you! If anyone wishes to make a New Year resolution to come and join our litter picking group, please feel free to do so. You will be made very welcome and please be assured that chasing after litter on a windy day is not compulsory! I can be contacted by telephone or via email as per the interest group page.

Lunch Group

The Christmas Lunch on 21st December at the Albert Hall Osbourne Room was the best event of our Lunch Group year. The staff always go out of their way to be very helpful; the room is excellently decorated and the food and service is wonderful. We were hoping to kick off 2023 on January 25th when we planned to dine at Arunothai Thai Restaurant. Unfortunately, they do not now open on a weekday lunch time, so we have changed the venue to Miller & Carter at Papplewick on Wednesday, 25th January at 12 noon. Unfortunately, their special lunch menu may not be available until February but I will circulate the main menu to those who have their names down already to see what they would like. More details later.

National Trust Group

Following a meeting between Sue and myself and Anne and Steve Lawrence we have put together the following programme of visits for the National Trust group for 2023.

Monday 27th of March, Calke Abbey.
 Tuesday 25th of April. Upton House.
 Wednesday 24th of May, Hanbury Hall.
 Thursday 22nd of June Wimpole Estate.
 Monday 31st of July, Quarry Bank Mill.
 Tuesday 29th of August, Belton House,
 Wednesday 27th of September, Dunham Massey.
 Thursday 26th of October, Charlecote Park.

All visits will leave Hucknall Market Bus Stop and exact times will be given later but will always be between 8.30 am and 9.30 am depending on the distance to the venue.

Bookings will again be taken by email or telephone from one calendar month before the visit. So for Calke Abbey on March 27th bookings can be made from February 27th.

Contact details for Sue and myself are the same ie email barriensaunders@yahoo.co.uk, / telephone 0115 9559842 or 07518 281676.

Prices for each visit will be notified in the New Year.

We have had a total of 25 members express an interest in completing an overnight visit to visit NT properties over two days but sadly this number is not enough to make it viable so we will revisit this idea at a later date.

Anyone wanting to join the group for 2023 please contact me and also anyone with any questions also please feel free to contact me.

We will update the group members each month by using Beacon and putting information in to the monthly Newsletter and on to the u3a Website ,

Reading Group

December's Reading Group book was "The Silent Patient" by David Johnson which received mixed reviews ranging from "Horrible" to "Excellent"; obviously it's not always easy to suit everyone's taste! We had a Christmas fuddle on Wednesday, 7th December, with mulled wine and lots of excellent food to sample. The book we shall be reviewing in January is "A Step So Grave" by Catriona McPherson; this writer is reminiscent of Agatha Christie and is a Hucknall Library Crime Café choice. We planned the Reading Group book choices for 2023 which covered many different genre choices; hopefully the Library will be able to source sufficient copies for us; many thanks to James, librarian, for all his help in locating sufficient copies for us each month.

Real Ale Group

Visit to Squires Musters, Micro Pub, Annesley Woodhouse, Thursday 22nd December

Meeting at Hucknall bus stop on Torkard Way / Titchfield Street eleven of us caught the Three's A bus at 6.55pm to Forest Road Annesley, making full use of our bus passes.

We arrived at Squires Musters to find a quite small micro pub, being fairly well attended by the locals and surprisingly a further trio from Hucknall.

After some time standing, we eventually found seating and proceeded to enjoy the various ales on offer, all at a very reasonable price of £3.20p a pint. Having been previously forewarned of our visit the landlady kindly provided us with a variety of cheeses and crackers to sample, which was greatly appreciated by all.

We caught the bus back at 9.45pm (thankful that the bus was still running and on time) and just had time for a last pint at our local Wetherspoons before being picked up by our various modes of transport.

An excellent way to end a very active year, and my own personal thanks to a members of The Real Ale Group for their good and entertaining company and some extremely interesting discussions.

See you all in 2023.

Science Group

Our final meeting of 2022 was on the Friday 16th December.

Bob McEwen led a group colour blindness test.

Most people with colour vision deficiency have difficulty distinguishing between shades of red, yellow and green. This is known as "red-green" colour vision deficiency. It's a common problem that affects around 1 in 12 men and 1 in 200 women.

Almost in line with the national average 2 males in our group were shown to have this deficiency.

Bob explained how it is inherited through family genetics. Red-green colour blindness is a sex-linked trait and therefore encoded on the X chromosome. Because women have two X :(XX) and can overcome the handicap of one, men have only one (XY) and are therefore more often affected.

Terry Hill then gave a brief update on the completion of NASA's Artemis I mission — splashdown was in the Pacific Ocean last Sunday afternoon — this has set up the return of humanity to the Moon and is paving the way onwards to Mars.

The 2nd half of the meeting was a fun science based Christmas themed quiz hosted by the question setters and quiz masters David and Christine Vincent.

The time spent on the preparation of the interactive quiz with its audio and visual effects was much appreciated by the quizzers and we extend our thanks to David and Christine.

Next Meeting: Friday January 20th 10am JGC

David Rose

Walking Group (Short Length Walks)

The 15th December walk, in cold but fresh and sunny conditions was enjoyed by 11 members. Enroute Greg described the heritage of some of the buildings such as the Old Blacksmiths on Church Lane Linby and Grange Farm and cottages.

In Moor Pond Woods we shared information about 18th century Scottish entrepreneur George Robinson who built a system of mill ponds and channels (called leats) at Papplewick to store water for and to feed water to his 6 large spinning mills along the River Leen.

We then walked via Papplewick Dam to St James's Church and we were fortunate to find it open and to meet the Reverend Trevor Raaff who made the group very welcome and took time to tell us about the history of the church.

The final section was footpath in Linby Meadow to reach our starting point at Brooke Farm cafe.

JANUARY 2023:

Thursday 19th We try again for the walk starting from Hollybeck Garden Centre.

David Rose

Walking Group (Long Length Walks)

Thank you to everyone who turned up for the walk on 6th Dec., although I went a little wrong we managed to get back on course and everybody said how much they had enjoyed the walk. It was a rather gloomy day but everyone soon got talking which jollied us all along.

We started at Teversal Visitors Centre, where there has free parking, cafe and toilets and walked along good paths to Hardwick Hall, had lunch and carried on through the grounds and down the Rowthorne Trail. It was very pleasant but would have been even better had we had the sharp frost and sunny weather we had a couple of days later as the colours this time of year are beautiful.

Thanks again to everyone who came, we still have room for more members so don't put it off and get in touch with me.

Weekenders Group

The Weekenders January Newsletter was sent out at the end of December. Once again, many thanks to Margaret Whilde & Lindsay Smith for printing off copies for those members not on email and for delivering them on their morning walks. Sadly, our Weekender Ruth Houldsworth died on 30th November; her funeral & memorial service was held on 19th December which many of us attended; we shall miss her at our Broomhill Birthday lunches.

We had a lovely Christmas Lunch at The Broomhill on December 16th. Members were welcomed to Coffee Club on 31st for all those who were not preparing for New Year's Eve. We didn't have an outing this month as we were all so busy with other Christmas activities but we plan an outing to the January Sales and a Film Afternoon Social in January; we also will be celebrating Birthday Lunches at The Broomhill for Sandra Green and Doreen Newton.

Wine Appreciation Group

For our Christmas murder mystery party this year we accepted invitations to visit Trimmilng Mansion in the picturesque village of Marsh Mallow. Off-duty Inspector Chris Mass was convinced it was one us wot-dun-it and we spent an evening assisting his enquiries whilst enjoying a selection of wines and food. The murderer nearly got away with it, as none of thought Phil Stockings had the motive but justice prevailed and the Inspector 'cuffed him.
