Message from our Chair

Welcome to our February Newsletter, I trust you have all now fully recovered from your Christmas and New Year's celebration.

Quite a lot of coughs and bad chests doing the rounds at the moment, please ensure you wrap up warm both indoors and outdoors. The increased energy costs are not helping people's health at the moment, what with the many 'cold snaps' we are experiencing. Thankfully covid, although still present, seems to be on the wane, helped by both the jabs and natural immunity. As I have said, please try and keep warm.

A few of us went to the Chinese New Year Celebration meal at the Springwater Cantonese Restaurant in Calverton, organised by Terry Hardman of Sutton u3a for the Notts Network. It was a very good evening and the eat as much as you want menu proved very popular. Ordering five selections from the menu for the table at a time, after a couple of rounds of starts and mains, we soon had to loosen our belts.

We were then entertained by a traditional Chinese dragon / lion dance with music accompaniment which had everyone reaching for their cameras. The evening ended with an outdoor firework display with all the normal oohs and aahs.

Well organised Terry, if repeated next year, I would strongly recommend it to you.

Our next monthly meeting will be a week later than normal on the third Wednesday of the month - Wednesday 15th February.

This later meeting is due to the John Godber Centre holding CAMRA's Hucknall's Beer and Cider Festival on 10th to the 12th of February and having to set up the main hall during the week beforehand. Again, this is a good event, well worth visiting as I am sure our Real Ale Group are aware.

After our successful individuals fund raising for Hucknall's Food Bank (£320 plus much food) several folks have asked if they can still bring food to the monthly meeting, please do and we will make sure that it is delivered to the food bank.

As always, please book in at the desk on arrival and as importantly for Health and Safety, ensure you sign yourselves out if leaving early.

Please try and wear your name badges and turn off or silence your mobiles during the meeting.

I have been asked by a couple of our members to relay a thanks to the organisers of the Singalong Group for a very enjoyable Tuesday's meeting in January, well done Phil & Liz.

Look forward as always to meeting you all at Feb's meeting.

Melvyn Francis, Chair

February Scams

Parcel Redelivery

The Parcel Redelivery scam has reappeared, you receive an email from either a delivery company often called IPS, impersonating UPS, but also the post office, both appear to be genuine, stating that your parcel or package couldn't be delivered and therefore there is a very modest charge, often £2.99p to cover the cost of the redelivery.

The email asks that you click on the link, which then asks for your bank details to enable payment of the charge.

Obviously once these are given, then any amount can be taken out of your bank account.

ALWAYS BEWARE, CRIMINAL LURK EVERYWHERE.

News From the Groups

Film and Culture Group

Please contact me if you would like to be included in the circulation of the calendar each month at alansnape@hotmail.co.uk or 07940146542. This year I plan to separate off the cinema section into The Film Club and I will attempt to include a description of what each film is about and who is in each film. Alan Snape.

Flower Arranging Group

The Flower arranging group had a great first year. We are looking to expand by visits to flower festivals and garden shows depending on if we can fit them in round our busy u3a lives. There is still room for more members if you are interested. First Monday of the month. The next meeting will be February 6th 1.30 - 3.30. Or if you miss this meeting, March 6th same time at the John Godber centre.

Fun With Languages Group

Sadly our group in January was a bit reduced due to illness. So we hope that all those who have been poorly will recover quickly and can make next month.

We continued in Spanish with our Drama and further vocabulary relating to the story. Next month will be the same and hopefully we will try to complete it and put ourselves out of our mounting tension and excitement as to how it will end!!

Some are finding the drama quite stretching in terms of vocabulary and grammar. So we need to spend some time and thought on a way forward after it has ended. Originally, we started with bursts of 4 languages, all much simpler. Perhaps you can give some thought in how we might continue please? As always. new folks are welcome to just pop in or join us.

Ann and Liz.

Gardening Group

On February 14th we go to Little Ponton Hall again, this time to see the snowdrops and early spring bulbs.

We now have details for the meetings in 2023, and they have been emailed to members who have given their addresses, with a few paper copies available at the main u3a meeting.

On March 21st we welcome Alan Clements and he is talking about the Cascade Gardens in Derbyshire. The meeting is at the John Godber Centre from 1.30 to 3.30 pm. The April meeting will be a trip to the National Arboretum and we will be taking names and cheques at the February, March and April main u3a meetings, as well as the March Gardeners group meeting. These are open meetings and everyone is welcome. See you there,

Anne

History Group

The History Group always welcomes all U3A members especially new ones.

Our indoor meeting place is Central Methodist Church: time 2pm – 4pm ish – on the 4th Wednesday of the month for this month only. The date to remember is the 22nd of February. The change is due to the Beer Festival at John Godber Centre.

Meetings are now in the Church Room which has proved much better for those members who have hearing problems. We have had some problems with visual images and sound but with special thanks to our member Greg they seem to have been overcome.

The next meeting at Central when Bob Massey is coming to give a presentation about "The Robins". The history of the Post Office and our postal services. look forward to seeing you then.

Kathy and Sue will be at John Godber on February 15th to take your bookings for the visit to Bassetlaw Museum at Retford on April 19th where we will see the Pilgrims Gallery display. Leaving Hucknall Ogle Street at 11am – leave Retford at 4pm. Return to Hucknall 5pm ish. Cost is £10. There is no café at the museum but there is a Weatherspoon's next door for food and drinks.

Litter Picking Group

At least 17 bags of litter have been collected by the group in January. One member identified an area where there is a particular problem with litter – the jitty running through the allotments between Beauvale Road and Garden Road, Hucknall. Consequently 4 members got together on a bright and sunny January day and cleared the area and the surrounding roads. Unfortunately some litter louts seem to take great pleasure in throwing their bottles, cans and used food receptacles etc over the hedges into the allotments making it impossible for us to collect. I won't record what I think of these litter louts! If anyone in Hucknall & District u3a is aware of an area which needs our attention please let me know and I will organise a group litter pick and of course if anyone wishes to join the group you will be made very welcome.

Val Gant

Lunch Group

Our first lunch of the year was on 25th January and was at an old favourite – The Broomhill on the Welbeck Estate where the food is always good and a reasonable price. Then on February 22nd we shall go to Miller & Carter at Papplewick. We will order on the day as their special lunch menu will not be available until February 20th. Then on 22nd March we will be visiting The Red Lion at Bagthorpe.

National Trust Group

I can confirm the dates and prices for the first three visits previously notified.

The first visit is Calke Abbey on Monday 27th March. Leaving from the bus stop on Hucknall Market Place at 9.30 am, returning from Calke at 4 pm. The cost is £10 per person. We are repeating this visit from 2022 due to many requests from group members.

Bookings will be taken by email or phone from February 27th. Payment can be made at the March monthly meeting or by posting/dropping off a cheque to my address at 8, Hadley Close, Sherwood Gate, Linby, Nottingham. NG15 8LD. Please put cheques in an envelope with the names of all the people being paid for on the outside.

Phone 0115 9559842 or email barriensaunders@yahoo.co.uk

Note that as per u3a rules, monies can only be refunded if I am able to resell your seat.

We will again be travelling with JB Tours.

The April visit to Upton House in Oxfordshire will leave from Market Place at 9.00 am on the 25th with bookings being accepted from March 25th.

Wednesday May 24th will see us visit Hanbury Hall in Warwickshire, leaving Hucknall Market at 9.00 am with bookings accepted from April 24th.

Both these visits cost £15 for coach travel.

National Trust members obviously gain free entry to the venues but non National Trust members may pay for entry on the day.

New members are always welcome so get in touch if you wish to be added to the group list.

Barrie and Sue

Not So Grumpy Old Men Group

The NSGOM enjoyed their now customary start to the new year activities by visiting the Spot On club to occupy eight tables for two hours of snooker.

While the professional world of snooker is rife with fixing allegations there was little evidence of such activity at this event!!

While the skills were often lacking the event proved very enjoyable with most members playing three matches during the afternoon.

A big thank you to Greg Umney for once again organising the day.

The group took the opportunity to plan future events for 2023 which include Indoor Cricket at the Leisure Centre in February, a visit to the Framework Knitters Museum in Ruddington in March and a trip to Southwell Minster in April.

Later in the year the group hope to visit the Climbing Centre at Phoenix Park, The Headstocks at the former Clipstone Colliery, play Croquet at Highfields, play Crazy Golf at Ramsdale Golf Club in Calverton and of course also attend the latter venue for now annual Christmas meal in late November.

A busy year ahead!!!

Pub Quiz & Lunch Group

Many thanks to Pam Farrell for being the Quizmaster in my absence due to an appointment I couldn't change. There were 27 members attending. She did an excellent job especially as the tie breakers were very important in deciding the winning team.

The February Pub Quiz will be on the second Monday, 13th February at 12 noon at The Nabb Inn. All are welcome – we prefer a maximum of four to a team where possible as we can always add another person to a team if you would like to attend but haven't got a team of your own.

Reading Group

Due to several members' illnesses there was no January Reading Group so we will be reviewing "A Step So Grave" by Catriona McPherson in February; this writer is reminiscent of Agatha Christie and was a Hucknall Library Crime Café choice.

We have planned the Reading Group book choices for 2023 which covered many different genre choices; hopefully the Library will be able to source sufficient copies for us; many thanks to James, librarian, for all his help in locating sufficient copies for us each month.

For January we will be reading Elly Griffiths' The Stranger Diaries (another Crime Café book).

Science Group

At our January meeting we were pleased to welcome two of the academic staff from Nottingham Trent University.

Dr Amy Twigger Holroyd who is an Associate Professor of Fashion and Sustainability in the School of Art & Design. She leads research projects at the intersection of fashion, making, design and sustainability.

Dr Katherine Townsend a researcher, educator, practitioner and Professor in Fashion and Textile Practice in the **Fashion**, Textiles and Knitwear department in the School of Art and Design.

The theme of their presentations was sustainability in fashion and a focus on reusing and reshaping discarded clothing/material.

They described some of the research and community projects around reuse and sustainability that they are currently involved in.

It was a lively session with lots of interesting questions from the members.

It may be a cliché, but the mantra "buy less and buy better" is key when we consider that a staggering [100 billion garments](#) are being produced globally every year.

Thanks to Christine Vincent for arranging this link with the university.

Friday 17th February Meeting

John Tedstone will follow up his presentation about the Severn Barrier with a current very ambitious proposal to erect a barrier to produce energy across the Wash.

In part 2

I have 2 short videos to show about the clothing sustainability projects sent from Dr Twigger

Then we go full David Attenborough to consider animal extinction, re wilding and consider some facts about some endangered species.

Walking Group (Short Length Walks)

On Thursday 19th January on our 3rd attempt on a beautiful sunny, cold clear day with frozen ground underfoot we completed the walk from Hollybeck Garden Centre.

The previous failed attempts were due to torrential rain on the proposed days.

23 members enjoyed the walk which was extended slightly to the village of Halloughton to avoid an especially rutted field system making it nearer 5 miles than the original 4.

It was nice to finish at the garden centre cafe for a welcome warm drink at the end.

Next walk February 16th , Annesley and Newstead Country Park

David Rose

Walking Group (Mid Length Walks)

It was good to see 28 of us in Nottingham recently for our winter City walk. A bit chilly at the start, but one of our group remembered warmer days getting the train to Skegness from the now-disappeared London Road High Level station, when we paused to try and work out where the station had been! The area around the Canal at London Road has mostly been redeveloped over recent decades and it is now quite difficult to recall the old buildings and structures. We also boosted Wetherspoons' takings with our morning coffee stop!

Our photo stop was near Castle Marina - spot the non-U3A person!

Our next walk be a local walk led by Mark Thornley, on Monday 20th February.

John Tedstone

Walking Group (Long Length Walks)

Despite what the weather could throw at us, injury and illness and also people pulling out for the very muddy conditions, four intrepid souls still managed to start from the Nabb Inn in Hucknall for the January Long Walk.

We walked through Eelhole Wood, Narrow Lane and across the fields to Greasley then by the side of Moorgreen Reservoir and along Felley Mill Lane through the plantations and back over the Misk hills for a well earned pint in the Nabb Inn.

It was quite wet and muddy, as you would expect at this time of year, but it didn't dampen our enthusiasm, which is the main thing.

I look forward to seeing all my fellow walkers in the new year, and remember, we still have room for anyone interested in a good walk and scintillating conversation.

Weekenders Group

The Weekenders February Newsletter was sent out to its members at the end of January. Once again, many thanks to Margaret Wilde & Lindsay Smith for printing off copies for those members not on email and for delivering them on their morning walks.

We had Broomhil Birthday Lunches for Sandra Green and Doreen Newton, which we all enjoyed.

We had an excellent outing this month to Boundary Mills & Whitby's Fish Restaurant on 16th January and a Social Film Afternoon (Mrs. Harris Goes To Paris) at Siobhan Lee's on 20th January.

Coffee Club met again on 29th January.

We are planning an outing on February 6th – we needed to book somewhere indoors so decided on Dobbies at Chesterfield. We have a Broomhill Birthday Lunch planned for Christine Wheatley on 17th February.

Finally our Coffee Club will meet on Saturday, 26th February 2-4 pm at Sandra's – topic suggestion – "My Favorite Valentine"- when hopefully members might spill the beans on old boyfriends!
