Message from our Chair

Welcome to our April Newsletter, I trust not too many of you (like me) fell for an April's Fool joke and enjoyed something special over the Easter weekend.

As always, please book in at the desk on arrival and as importantly for Health and Safety, ensure you sign yourselves out if leaving early.

Please try and wear your name badges and turn off or silence your mobiles during the meeting. April has arrived, along with its showers, hopefully not too many of them.

Our social evening on Sat 1st April, an Irish Night with Kelly's Heroes, celebrating St Patrick's Day, was a huge success, many thanks to our Social Sub Committee for organising this and all the other events that they arrange for us.

Sunday April 23rd is St George's Day and what a pity that we English don't celebrate it as much as our Irish friends celebrate St. Patrick's Day, I always think that we miss out on an opportunity to have some sort of entertainment. Perhaps we should wear a red rose, the English national flower to celebrate?

Before this month's normal meeting, we will be holding our Annual General Meeting, you will all have received either by email or post a copy of the agenda, minutes of last year's meeting and a proposed small change to our constitution, please study this before the meeting to enable you to vote as you think correct.

It has been a successful year for our interest groups, with a couple of new ones, Wine Lovers and Bridge for Beginners, both well attended. We are also having a few 'one off / short courses' this year, please support if you feel able. If you think of any activity that we currently don't do, then please suggest it and we will try and organise.

AGM's always mark for me the passing of another year, we have lost a few friends and all got a year older, and doubtfully much wiser.

Many thanks to all who donated cash for the defibrillator, hopefully if needed will prove helpful in possibly saving someone's life.

Also, thanks for the cash and food gifts over Christmas for the Hucknall Food Bank, they were very much appreciated.

Look forward as always to meeting you all at April's meeting.

Melvyn Francis, Chair

April Scams

Turkey / Syria Earthquake

Beware of fake donation accounts for the Turkey-Syria earthquake

If you're considering donating to victims of the Turkey-Syria earthquake, keep in mind that scammers are always lurking to take advantage of such a crisis.

On social media, we've found pages, posts and videos containing misleading or false information about the earthquake. This is in an attempt to get people to send funds, including Bitcoin and NFT donations.

Phoney HMRC tax refund emails

Fraudsters are impersonating HMRC and sending phoney tax refund emails. The emails include a link to 'claim' your refund. And if you click on the link, you'll be taken to a website that puts you at risk of giving away your personal details to a scammer.

It is helpful to know that HMRC will never send specific tax information (such as how much you owe or any rebates due to you) by email, so if you receive this email you can rest assured that it's a scam.

Fake People's Postcode Lottery letters

If you receive a letter claiming that you've won thousands in the People's Postcode Lottery, it's important to take a moment to ensure you're not being targeted by a scammer.

This scam letter includes the People's Postcode Lottery logo and branding and claims that your post-code has been randomly selected from the electoral roll database. You're asked to call a number to claim your prize which is when the scammer will phish your personal details.

Amazon Prime scam

Scammers are impersonating Amazon to get access to your device.

These scam calls involve fraudsters telling consumers that their Amazon Prime subscription is increasing in price or expiring. If you say you want to cancel, you'll be asked to download remote access software such as AnyDesk. This is a genuine program that fraudsters sometimes use to exploit victims. Once you download the program, the scammer will be able to access your device and steal your information or install malware.

ALWAYS BEWARE, CRIMINALS LURK EVERYWHERE.

News From the Groups

DRAMA GROUP

The Hucknall u3a Drama Group is eager to welcome new members.

We are a small and friendly group who meet every 4th Friday of the month, 10-12 a.m. at a member's house, which is close to the centre of Hucknall.

The sessions involve a mixture of play reading, drama workshops, monologues, and poetry with occasional performances when the opportunity arises.

If you have never been in a drama group before then that is fine, no previous experience is necessary. Similarly, if you are rekindling an old interest then your expertise will be of considerable value to us.

Please get in touch for further details and come and try out one of our sessions.

Janet Stevenson (Group Leader)

drama@hucknallu3a.org.uk

Film and Culture Group

Please contact me if you would like to be included in the circulation of the calendar each month at alansnape@hotmail.co.uk or 07940146542. This year I plan to separate off the cinema section into The Film Club and I will attempt to include a description of what each film is about and who is in each film. Alan Snape.

Fun with Languages.

Well done to the 10 brave, hardy souls that managed to make the March meeting due to snowy weather. While you were experiencing some snow here I was wading through piles in Tromsø, Norway. A huge thank you to Liz who held the fort admirably, delivering the work on basic introductions in French and a light hearted quiz. I am reliably informed it was fun!!

Our next meeting continues in French with a crossword and further vocabulary and conversation on Thursday 13th April at 10.30 in JGC Byron suite. Please bring along any French sheets you already have which may be useful, plus the extra I will send out to members in due course. New members are always welcome. This is basic foreign languages to 'get by' when visiting another country on holiday. It is not an in-depth course. If that is what you want there are plenty to access on line, but you usually have to subscribe to them.

We hope to see you in April. Liz and Ann

Gardening Group

We had a very full meeting last month, so a big thank you to all who came, old and new members. Alan Clements shared the inspiration and Japanese influences that helped him to shape his 4 acre plot from a quarry to a beautiful terraced garden. He has certainly had some challenges and trials to overcome but he continues to open for the NGS system, so if you are interested it is well worth a visit.

Our next meeting will be the trip to the National Memorial Arboretum on April 18th, leaving Ogle Street at 10.00 am.

The meeting on May 16th will be a talk from Glenys Smith on Allotments and bees at 1.30 pm in the John Godber Centre. We are an open group so all are welcome, new members and old! Meanwhile enjoy your own spring gardens.

HISTORY GROUP

The History Group always welcomes all U3A members especially new ones. Our indoor meeting place is Central Methodist Church on Baker Street: time 2pm – 4pm ish.

The next meeting is April 19th when we are visiting Bassetlaw Museum at Retford where we will see the Pilgrims Gallery display. The Coach leaves Hucknall Market at 11am – leaving Retford at 4pm. I'm told there are many café's in Retford and a Weatherspoons next door to the Museum.

Wednesday May 17th 2pm is the date and time for the meeting at Central Methodist Church when Mike Kelly will be with us. He will tell us about The Fall of Saxon England, Christmas Day 1065 to Christmas Day 1066 which is the most traumatic year in English history.

Kathy and Sue will be at the main meeting in May to take bookings for our Visit to Ashby de la Zouch Museum on June 21st.

Litter Picking Group

Now that longer daylight hours are here members of the litter picking group have been out in action and to date this month have collected 19 bags of litter. One member has unfortunately noted a number of discarded 'sharps' dumped where they could easily get the attention of local children. Should anyone or even any of the local wildlife prick themselves on the syringes which have obviously been used by drug addicts the consequences could be very serious indeed. Anyone finding such 'sharps' should not touch them at all but report details to the local council either online or by telephone (the App what3words is useful) and an officer with specialist equipment will be sent to collect the items.

On a brighter note, 13 members recently got together for an informal meeting to discuss the way forward with the group and agreed that unfortunately there will always be plenty of litter to keep us busy. If anyone is interested in joining us please contact me as per Interest Group details at the end of the newsletter.

LUNCH GROUP

On March 22nd twenty-four of us dined at The Red Lion at Bagthorpe. Then on 26th April we are visiting The Countryman in the Kirkby in Ashfield area and again a pre-order is required. On the 24th May we are booked into The Corinthian, Goldsmith Street, Nottingham and a £5 deposit is required.

I should be grateful to receive any reasonable venue suggestions within an eight mile radius of Hucknall as the menu prices for most places have gone up so much in recent months. Many thanks to Hucknall U3A Committee, Hucknall U3A Lunch Group and Hucknall U3A Weekenders Group for all the flowers over the last few weeks. Also thanks for the plant which is still going strong despite their usual penchant for committing suicide as soon as they move in here.

NATIONAL TRUST VISIT TO CALKE ABBEY - MONDAY 25TH OF MARCH

All fifty three members were on board the coach at Hucknall Market before our departure time of 9.30 am. As a result we were at Calke Abbey just before 10.30 am.

The weather was dry and mainly sunny making the conditions ideal for the various activities. Over the day members enjoyed visiting the main house, the church, the gardens, the cafe, the shops and enjoying the well signposted walks of varying length. A broken down van at Nuthall Island on the return journey caused some delay but did not take the gloss off a lovely day.

Next month will see the group venture further afield to Upton House near to Oxford

Pub Quiz & Lunch Group

The March Pub Quiz took place on the 13th March when 28 of us met at The Nabb Inn. All are welcome – we prefer a maximum of four to a team where possible as we can always add a person to another team if you would like to attend but haven't got a team of your own. Sometimes the quiz is easy and occasionally it is very hard, but the idea is to have a bit of fun and to socialise whilst enjoying a lunch. **PLEASE NOTE:** The next Pub Lunch Quiz would have fallen on Easter Monday so I have changed this to Monday, 3RD April instead.

READING GROUP

The Reading Group met on Wednesday, 5th April when the March choice (The Fell by Sarah Moss which is set during the covid pandemic) was discussed. The choice for April is yet to be decided.

Science

This month we considered the life and work of Leonhard Euler.

Born in Switzerland he was a brilliant mathematician, physicist, astronomer, logician, engineer, and music theorist. He is considered to be one of the greatest mathematicians that ever lived. He wrote a definitive book on teaching Maths and he believed *any* man or woman can have perfect numeracy. An activity followed which involved the solving of some algebra problems with varying degrees of success. It was good to see the group having a go putting to use dormant maths skills learnt in the past.

We finished with a short video about the re-wilding of wolves in Yellowstone USA.

Friday April 21st meeting

We return to the theme of sustainability with a focus on the fashion/clothing industry. Is it possible for manufacturers to produce high quality, environmentally friendly and sustainable clothing? How does reusing and recycling material help to reduce the negative impact of cheap throwaway garments?

More information will be sent to group members before the meeting.

David Rose

Singalong

The theme of "Songs from the Shows" at our March Singalong was enjoyed by all. At our next session in April we will be celebrating the Kings upcoming Coronation- in song and a short film. In May the theme will be Eurovision Songs!
Remember: Keeeeep Singing

Vegetarian Cookery Taster Course

Members who had signed up for this taster session watched a demonstration of a vegetarian recipe being made. The aim is to share different recipes that will give an alternative to meals with meat or fish, to bring new ideas to menu planning.

While the dish was cooking members socialised with a tea or coffee then tried the cooked dish. The members present agreed that they would like to continue as a group so we will be meeting on the 4th Monday of each month at the hall of St Peter and St Paul's church on Ruffs Drive, from 10.30am to 12.30. We are limited to 40 members but we still have a few places left so if anyone would like to join us at our next meeting on 24th April please contact me, Anne Wilkinson.

Walking Group (Short Length Walks)

In March Roy Brown led the group on a circular route from Jacksdale Garden Centre.

They were rather windswept but despite the forecast of probable rain it was a dry morning. Understandably several felt the need to recover in the friendly recommended cafe afterwards.

Thursday April 20th

On Thursday 20th April we are walking some less frequently visited areas from Bestwood Country Park visitor's car park. (Near the winding house) It includes a visit to a viewpoint in the park which is named after one of our current active u3a members.

Prior to the walk we are invited to visit inside the winding house courtesy of u3a member Bob Gow who leads the volunteer group at Bestwood. On your tour around the building you will use the newly installed lift to move up the various different levels of the building to the top where you can experience the sheer size and power of the winding engine. On the way back down via the steps you will hear the story of the mine during its years of operation until its closure in 1967. Park Road Bestwood Village Nottingham NG6 8TQ

Please note the earlier starting time 9.30. 9.40am at the Winding House

Walking Group (Medium Length Walks)

22 of us braved the wet weather for a 7 mile walk around Rolleston and Fiskerton. After an hour or so the rain eased off and the sun tried its best to warm us as we had coffee at the Southwell Racecourse. As we continued, the going was definitely "soft" and one of the walkers had a muddy slip, narrowly avoiding a lie down in a puddle. After lunch at the side of the River Trent the sun definitely showed itself as we headed back to the Southwell Garden Centre and post walk refreshments in Southwell.

Walking Group (Longer Length Walks)

We started the walk in East Leake at the Three Horseshoes public house, where the landlady had kindly let us park.

The March walk was 8.58 miles in length; we walked over the West Leake hills from East Leake, a circular walk. The way was easy and through field tracks and country roads, no mud thankfully. Affording stunning views of Nottingham and the Trent valley. It was an easy walk at a steady pace and was made all the more rewarding as the weather was kind to us with the Sun shining for all of the walk. We finished off with a good pint of beer in the Three Horseshoes.

WEEKENDERS

The Weekenders April Newsletter was sent out to its members at the end of March. Once again, many thanks to Margaret Whilde & Lindsay Smith for printing off copies for those members not on email and for delivering them on their morning walks. Thanks to Lindsay who hosted a very nice Social Lunch on 20th March. We had a Broomhill Birthday Lunch on 22nd March for Pam Farrell & Margaret Whilde which we all very much enjoyed. We had an outing to Dobbies Garden Centre & East Midlands Outlet on 29th March and a Coffee Club get together on 25th March when we finalised the programme for our April events.
