Message from our Chair

Welcome to our August Newsletter,

Hi there folks, really good to be back at July's committee meeting, monthly meeting, social sub committee meeting and my various groups. Can't tell you how much I have missed all of the u3a activities over the past three months.

My knee is well on the way to recovery, just need to keep up the physio, 12 exercises, 3 times a day. The right eye, is a wait and see (pun)

As I write these thoughts, it seems that the St Swithin's saying I mentioned last month has become a reality, so much rain in July, after June's gorgeous sunshine.

Here's hoping August is kinder to us with plenty of sunshine. Mind, it has been nice not having to water the tomatoes and flower containers.

Looking forward to our September social gathering, the SSC have organised a great nights entertainment with pop group 'Rocks and Frocks' specialising in 60's music, so get your 60's gear out and see if it still fits. Tickets on sale next meeting, only £8, bring your own food and dancing shoes.

Trust if you have already had a good holiday(s) you are well rested and recharged, or if looking forward to one, hope the current European hot weather and fires does not affect any of you.

After a few request, we are once again reserving a few seats on the front row for those with a hearing problem.

Look forward to seeing you all at August's monthly meeting, please try and remember to wear your name badges so that all know who you are, and of course don't forget to sign out if you leave early.

Melvyn Francis, Chair

Monthly Meeting – Weds 9th August

Safety

As always please use the rear doors off the car park for access and ensure that you register yourself as attending, if leaving before the end of the meeting, it is important for health and safety that you sign yourselves out.

Our meeting will start as normal at 2pm, with a few announcements, followed by our guest speaker.

We will be using the JGC loop system for those of us with hearing aids, please switch to your loop setting. If unable to do this, then please sit on front row of seats, which will again be reserved for those with hearing problems.

After our coffee / tea break, we will be reconvening to hopefully hear a few of our group leaders telling us about their group's activities.

Please volunteer to help with the teas and coffee if you are able, sign up on the form available.

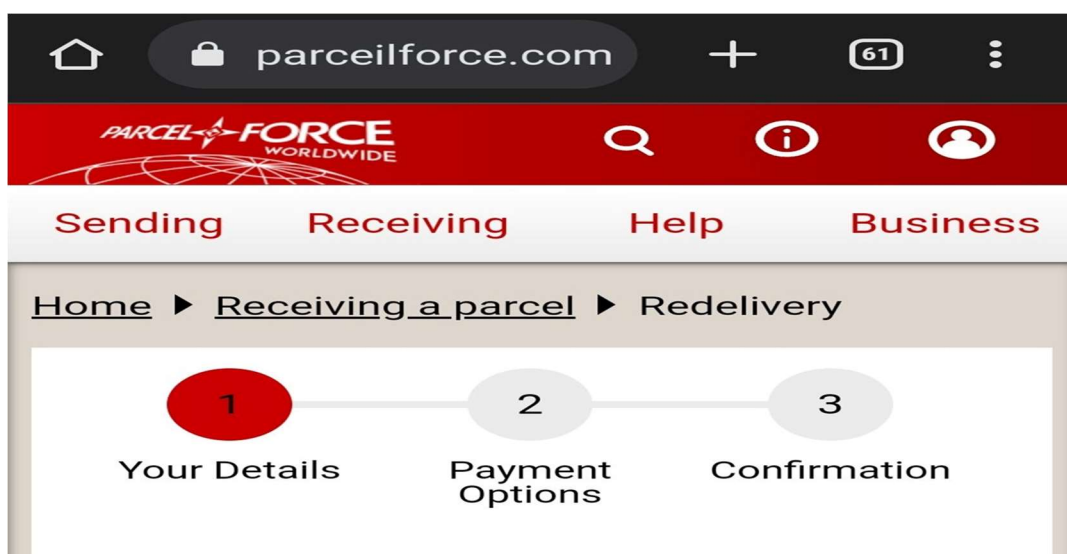

Future Speakers

September 2023 – Hazel : Grace Kelly
 October 2023 - John Smith : Body Language.
 November - Steve Lovell : The Miracle of Migration

August Scams

Parcelforce impersonation scam

Fake emails about deliveries are being sent by scammers claiming to be from Parcelforce. The emails lead to a malicious website which asks for your details to arrange a redelivery.

A phishing website impersonating Parcelforce, note the incorrect spelling.

Fake Evri scam text

Scammers are once again impersonating the delivery company Evri in text messages. The latest message says that your delivery has been 'held back' and that you need to reschedule a delivery by clicking on a link.

UPDATE

EVRI: Item (P79Y25K2017) has been held back at our post office. Please re-schedule via: rebooking.info-72.com

News From the Groups

Bridge for Beginners Group

Our group has been going for 10 months now and has proved to be very successful.

We have 5 volunteer tutors, without whom we would never have got started!.

If anyone is interested in joining us, we do have two vacancies, but it would be an advantage if you had some knowledge of the game. We are a mixed ability group though and those that can play help those that can't.

We meet on the 2nd and 4th Tuesdays of the month (6:30-8:30 p.m.) in the Byron Bar at The John Godber Centre. If you are interested, please email me on bridge@hucknallu3a.org.uk

Sue Tedstone (Group Leader)

Discussion Group

At our meeting on Monday 3rd July , the topics discussed were :-

1) Ready meals

The topic of Ready Meals raised comments about cost, nutritional value, contents including additives and a comparison with those purchased on line and those of Super Markets.

2) Law breaking

A discussion on this topic suggested some cases are ignored by the police. It concluded with a consensus that it would seem to depend on the severity of the offence.

3) Inappropriate parking

Parking on pavements and grass verges was a topic that evoked much concern for children and the less able.

4) NHS dentistry

This topic produced discussion of general concern due to lack of accessibility.

In addition, an interesting number of general questions were introduced by one member of the group mostly about the population of Hucknall.

One impromptu topic was introduced and left for discussion at our next meeting, that of 'Race Relations'.

Everyone was very pleased with the contributions made to the discussions and look forward to the next meeting.

Chris

Film and Culture Group

Please contact me if you would like to be included in the circulation of my newsletter of films being shown locally and other events of interest to those of our members who enjoy going to cinema and other cultural events. Contact alansnape@hotmail.co.uk or 07940146542

Flower Arranging Group

June's Flower Group meeting was a lovely afternoon spent creating arrangements mostly using just foliage. Members showed very individual ways of interpreting the brief, as always there were beautiful arrangements to take home as well as having a good natter at the same time.

As numbers were low we had a discussion about whether or not to meet in August and it was decided that we would miss August. We also discussed the change of Mondays for 2024 the group will meet on the 4th Monday of the month instead of the first. Further information to follow.

The group agreed that for the September meeting they would do a follow my leader arrangement and agreed for Siobhan to obtain the mechanics for that and send a list of the flowers they would need to bring.

Siobhan.

Fun With Languages Group

This group is exactly what the title says - FUN with different languages. It is NOT intended to be a high powered language course, but to learn the basics of some European languages to get by on holiday. We meet the second Thursday of each month in JGC 10.30 till 12 noon usually in the Byron suite. Our last meeting was learning about directions and places in a town in French, as this is the language we are studying at present.

We also enjoyed some lunch French style, kindly brought by Sue and John Tedstone to celebrate their Golden wedding on Bastille day. Congratulations to them.

We shall meet in August on Thursday 10th in JGC at 10.30. All welcome.

Ann & Liz.

Gardening Group

Our July meeting was a Gardeners' Question and Answer session and I think that between us we managed to find an answer to most problems and queries. It was good to share successes and failures and to know that we are all learning from each other.

Our August meeting is on Thursday August 3rd- note the change of day- and will be a trip to Renishaw Hall. We are now full even though we had to book a bigger coach! I'm sure the trip will be worth it, hopefully with better weather than our June excursion.

On September 19 we are at the John Godber Centre for an NGS online talk, which should be very interesting. All are welcome as we are an open group.

Grumpy Old Men Group

Grumpy Outing to the National Mining Museum near Wakefield

After a last-minute cancellation of our booking by the Museum, which had postponed our originally planned visit, our intrepid members finally made it to Yorkshire in early June.

The Museum is built around what had been a working pit in the Yorkshire coalfield, between Wakefield and Huddersfield. There was less grumpiness when we realized that, as a National Museum, entry is free, but we did take part in an underground tour, for which there is a donation.

The museum is staffed mainly by volunteers who all worked in mining before retirement, there being no substitute for hands-on experience. A degree of fitness is needed for the underground tour, and along the route we passed a large amount of abandoned machinery, left as it was on the day the pit closed.

Another interesting visit, and the motorway was running well on the day of our visit. There are a lot of interesting buildings and displays to see, and the museum is worth more than one visit. On the way, we passed the Yorkshire Sculpture Park, also well worth a visit. This is a huge site, with outdoor sculptures by famous artists such as Henry Moore and also short-term exhibitions.

History Group

The History Group always welcomes all U3A members especially new ones. Our indoor meeting place is Central Methodist Church on Baker Street: time 2pm – 4pm ish.

Kathy, Sue and I will be having a break during July and August when there are no meetings. The three of us will look forward to seeing members at Central Methodist Church on 20th September when Robert Mee will be with us with an illustrated talk about 'Nottinghamshire Castles – Eleven Sites and more besides'. How many do you know of?

Maureen

Litter Picking Group

Frequent and heavy rainstorms have understandably rather curtailed the activities of many of the group in July. Nevertheless 20 bags of litter have been collected by some of the most ardent members. One such member who takes his dog for a walk often also takes his litter picking equipment with him thus proverbially killing two birds with one stone, and recently two members collected 7 bags of rubbish in one outing, two instances which are very commendable indeed.

Should anyone wish to join our litter picking group please contact me as per the interest group details at the end of the newsletter.

Lunch Group

Unfortunately the proposed trip on the Nottingham Princess riverboat for our July Lunch Group had to be cancelled due to them not having made our booking. This is the first time in fourteen years that we did not have a monthly lunch session. However, we are looking forward to our 23rd August visit to Miller & Carter at Wollaton for lunch. And we shall try the newly refurbished Ciao Bella at Mansfield on September 27th. Isn't the year just flying by!

Not So Grumpy Old Men Group

On Thursday 20th July, 14 of the Not So Grumpy Old Men met up at Ramsdale Golf Club to try their hand at the renown Pirate Crazy Golf.

Names out of a hat and we split into 2 teams of 4 and 2 teams of 3, issued with our putter, ball and score sheets, we set off to see if any of us would be spotted for the Master's Championship.

The course consisted of 18 holes of varying complexity and with our basic lack of ability, soon proved to be harder than expected.

The rules stated no more than 7 shots per hole were allowed, which was in honesty a Godsend for quite a few of us.

Having said that 2 grumpie's managed to score three holes in one and one team actually scored 3 holes in one on the same hole, one after the other, such skill!

After negotiating, hills, dips, hollows, ramps, rough, alligators, water features (several plonks), cannons etc., totting up the scores, which varied from 44 (excellent and below par) to 80 (all promised not to tell his wife). Congrats to Bob Payne for winning, and scoring 3 holes in one. Bob becoming NSGOM Crazy Golf champion 2023.

The other 3 holes in one, were our chairman, who was almost sent off for trying to use his crutch instead of the provided club!

Off to the club house (the 19th hole) for a well-earned pint and a wonderful Pie, Peas, Chips and Gravy lunch.

Many thanks to Paul Haigh for organising the activity

Pub Quiz & Lunch Group

The Pub Quiz took place on the 10th July when 22 of us met at The Nabb Inn. All are welcome – we prefer a maximum of four to a team where possible as we can always add a person to another team if you would like to attend but haven't got a team of your own. Sometimes the quiz is easy and occasionally it is very hard, but the idea is to have a bit of fun and to socialise whilst enjoying a lunch. The next Pub Lunch Quiz will be on Monday, 14th August at 12 noon.

And here are the answers to the July quiz;

Reading Group

The August Reading Group will meet on Wednesday, 2nd August. There was no July book choice but we have all read a variety of our own choices and we will discuss those books. For the August set book we will be using the one read by the Library's Crime Café - Devil's Table by Kate Rhodes, followed by the latest Robert Galbraith novel - The Ink Black Heart.

Real Ale Group

On Weds 16th July, 16 of us meet at 6.30pm to catch the tram to Nottm Midland Train Station, then a bus down to Trent Bridge. Long live the travel passes!

We visited three public houses around the Trent Bridge area, the Trent Navigation, then the Embankment, then the Brewhouse. All sold reasonable beer, but the Brewhouse was both expensive and not well attended.

John Saunders had prepared two quizzes, and we split into two teams for a very hotly contested outcome, each team won one quiz and so onto tie breakers. After 4 drawn tie breakers, John announced a draw

We then caught the bus back up to Midland Station, and visited our final pub, the Vat and Fiddle, always an excellent choice to finish up in.

Back through the station to catch the tram home to Hucknall.

Many thanks to John Saunders for organising the night.

Science Group

We were pleased to welcome a guest speaker, Mr Ian Allen, at our July 15th meeting. Ian is a local wildlife enthusiast who contributes to the county and national surveys on sighting, frequency and the identification of dragonflies and damselflies in our local wetlands.

He explained with the help of some wonderful photographs that:

Damselflies are delicate insects, with eyes on each side of their rectangular head. They have a fluttering flight, with the front and back pairs of wings equal size. When the damselfly is resting, the wings are usually held closed.

Dragonflies are larger and more robust, with eyes that meet in the middle of their spherical head. Their front wings are narrower than their hind wings and when resting both pairs are held wide open

Male banded demoiselle damselfly

Female emperor dragonfly

They are to be found in all wetland areas throughout the summer months.

Ian was thanked for his presentation and was able to answer questions from members.

No meeting in August but we meet again on Friday September 15th in the main hall JGC

Enjoy the break and there will be more details before the next meeting.

David Rose

Singalong Group

Our last session, led by Christine and Dave Vincent was enjoyed by all, our thanks to them for a fun morning.

Our next session on the 15th August will be our own personal "Golden Oldies" choice!

Hope you enjoy them!

Vegetarian Cookery Group

The July meeting took place after the deadline for the newsletter so I will put the article in next month's newsletter from that session. There will be no meeting in August due to the Bank Holiday. Enjoy trying out your new recipes.

We still have a few spaces left in the group so if anyone would like to join us, please contact me.

Walking Group (Short Length Walks)

In July we did something a little different and it was our shortest walk to date- 1.5 miles.

It was in fact a 'walk and talk' based on the heritage of Wellow village.

We met in the Wellow Church Schoolroom .This was built in 1854 in response to Queen Victoria's Education Act of 1842. It now houses the village heritage centre.

Before the walk Denis a heritage consultant gave a short talk and slideshow about the village which set the scene for the walk.

Our walk guide Heather together with Denis led us around the various points of interest and historic buildings including her own home Cuckstool Cottage.

At one time there were 11 farms and 5 pubs and 6 shops and was known as the thirsty village.

A centrepiece in Wellow is the magnificent maypole dating from 1835.

The current pole is 20m high and was erected in 2011. Maypole Day with dancing is celebrated on Spring Bank Holiday Monday.

After the village tour we returned to the schoolhouse for part 2 of the talk about things we had just seen. In traditional u3a fashion we ended with tea and biscuits.

Before leaving we thanked Heather and Denis who is secretary to the Wellow Heritage & Tourism Group for their time and expertise.

This visit is free and is suitable for other of our Interest Groups (e.g. History, GOD.Grumpies)

If you are interested contact me for details. David Rose

Our next walk is on Thursday September 21st – **no walk in August**

Walking Group (Mid Length Walks)

Our June walk was an enjoyable local ramble around some of the paths reputed to have been walked by D.H. Lawrence, starting from Moor Green, and taking in Felley and Moorgreen reservoir. At one point, we came across what looked a migration path for frogs, which were each no more than 1 cm. long.

There was the usual wide-ranging conversation of our group, which at one point strayed onto children's TV programmes, before the days of colour transmissions, in particular Noggin the Nogg!

Thanks to Lynn and Pete Baker for organizing this walk.

Our July walk started from Epperstone, where we were scrutinized by several people in the pub car park when we arrived, who we then established were another walking group on a similar route.

Our walk took us uphill from the village, with the high point being conveniently next to Hollybeck garden centre, where we stopped for coffee in the café, rather than our usual flasks.

On the return there were good views over towards Epperstone, Oxton and Calverton, shown in the photo, but also of gathering dark clouds. We agreed that we were all about to get very wet, but in the event, the rain only lasted for a few minutes. We rounded off a very pleasant walk in the Cross Keys pub afterwards.

Many thanks to Gill Hunt and Mark Thornley for planning this walk. Our next walk on Monday 21st August walk will be at Dale Abbey.

We always welcome new members for this group – just use the tab on the Hucknall U3A website.

John Tedstone

Walking Group (Longer Length Walks)

Our latest foray into the great outdoors was a 8 mile walk at Alderwasley.

We started our walk at the Hurt Arms at Ambergate, along the banks of the River Derwent and through Shining Cliff Woods and through Alderwasley Park, the grounds to the old hall, which is now a school. It was good under foot as we walked on good trails and quiet country lanes.

We came through the village of Alderwasley, sneeze and you would have missed it, back along Jackass Lane and again through Shining Cliff Woods and back to the Hurt Arms for a well earned pint.

It was a glorious day but not too hot; just right for walking. It had a couple of hills, but nothing too taxing. It did rain once, a short, sharp shower, But we were able to shelter in a barn, along with some new born calves.

Everyone enjoyed the day and we are all looking forward to the next walk. If anyone wishes to join the group, there is plenty of space for new members, all are welcome.

Weekenders Group

On the 8th July we had a Garden Meet-up but had to stay in the conservatory due to a heavy thunderstorm forecast; fortunately it just rained but we were all cosy inside. Lots of chat about gardening! On 21st July we enjoyed our monthly Broomhill Birthday Lunch but on 22nd July we had to cancel the outing to Retford due to not being able to fill the bus. Similarly we cancelled our August 7th outing to Boundary Mills for the same reason – I think everyone must have been away on holiday. We ended the month on 29th July with our Coffee Club get together.
