Next Monthly Meeting

8th October 2025

Guest Speaker : Andrew Lound

Mystical Britain: Great Britain is full of legends, myths and folklore that date back over 2000 years. Many of the festivals and beliefs have origins in the islands' myths

Note – Deadline for submission of Articles for the next edition of the newsletter is 31st October 2025

Please forward articles for the next newsletter to hucknallu3anewsletter@live.co.uk and remember to send a copy to the webmaster@hucknallu3a.org.uk for inclusion on our website

Message from our Chair

I've written this message a little early as Gary and I are off to the Cotswolds at the time it would normally be due. It's strange how a disruption to our normal activities can throw us off kilter. I think I've spent most of September thinking we were a week earlier in the month than we actually were. The fact that I knew we were away the last week of September had me thinking it was later in the month than it actually was. Very off putting especially when I couldn't work out which week we were in, so kept getting confused with the bridge weeks!

It has to be said that while change can be disruptive it can also be a time for new purpose, renewal and the revitalisation of organisations and of course committees. That is certainly my hope for the Social Sub Committee (SSC). Those of you who were at the September's members meeting will be aware that four of our valued and long serving SSC committee members are stepping down in April to take a well-earned break and allow others the chance to serve and hopefully shine.

It was with regret that I heard that David Rose (the current chair of SSC), Lynda Jackson, Steph Haigh and Maggie Huckerby had decided to 'retire'. I am sure that like me you, if you have attended any of our SSC events, have been impressed by all the hard work they put into finding suitable events, entertainers, quiz masters and the like. They will be greatly missed.

While they are leaving big shoes to be filled they are also wanting to ensure the continued success of the SSC. They are therefore actively looking for at least 4 new people to join committee. You may well have read about what it all entails in the email I sent out on David's behalf. It is generous of them to give us plenty of notice, to allow time for replacements to be found. Which of course means we need volunteers. I know the current SSC is looking forward to welcoming new committee members and helping them settle into whatever role they take on by giving guidance and advice. The sooner we get those volunteers, the more time the current incumbents will have to pass on their knowledge.

So if you haven't already put yourself forward to look at joining the SSC, then please do so now. You can contact David Rose in the first instance on his email address davidrose98835@gmail.com. Or indeed approach one of the current SSC members if you see them.

I look forward to hearing about who has put themselves forward and learning who will be doing what. I will of course also look forward to attending even more of the interesting and entertaining social events that the SSC provide.

Tina Holmes, Chair

Monthly Meetings - Safety

As always please use the rear doors off the car park for access and ensure that you register yourself as attending, if leaving before the end of the meeting, it is important for health and safety that you sign yourselves out.

In the event of the fire alarm sounding, then please make your way to the rear car park by means of the rear doors if possible. The assembly point is the Scout Hut in the far corner of the car park.

Please wear your name badges, it is far easier to strike up a conversation if folk know your name.

Please remember to volunteer for the tea & coffee rota if you are able.

NOTICE

Experiencing the loss of someone you care about can be profoundly heart-breaking and overwhelming. At such a time any correspondence sent to the deceased can cause further upset & pain. If you learn that a Hucknall u3a member has passed away, please promptly notify the Membership Secretary or any Committee member. This will help us try to avoid u3a communications causing unnecessary distress to the family. Thank you.

Future Speakers

November – David Coleman, Pitman
December – No Speaker
January 2026 – Bob Reed – Lets Talk Toilets

COME ALONG AND JOIN US for the HUCKNALL & DISTRICT u3a's
2 COURSE CHRISTMAS MEAL & SOCIAL

at the John Godber Centre
on

Monday 1st December 2025

FEATURING HUCKNALL BORN SINGER

JESS JOHNSON

back by popular demand

Doors will open at 11.30am and Lunch is served from 12.15pm

Your menu choice is required when buying your ticket

Mains:

Roast Beef Dinner
Roast Chicken Dinner
Cold Platter & Jacket Potato

The Menu Selections available are:

Desserts:

Lemon Meringue Pie & Cream
Biscoff Cheesecake & Cream
Cheese & Biscuits

Followed by

Tea or Coffee & Mince Pies

Entertainment will be from **2.30 – 4.00pm**

Tickets will be on sale for **£21** at the **October & November** meetings.
Payment by card appreciated. There is a limited number of tickets so don't dilly-dally!

If you wish to be seated with friends, arrange this with them beforehand and purchase the tickets together. Also let us know of any dietary requirements.

THE HUCKNALL & DISTRICT U3A

Invites you to come and join us for another of our

enchanting Christmas Films

at the John Godber Centre, Ogle Street, Hucknall

Wednesday 17th December 2025

A CHRISTMAS STORY

Peter Bellingsley

as Ralph

Darren McGavin

as Father Parker
the 'Old Man'

Melinda Dillon

as Mrs Parker

The Parkers are a wonderfully imperfect family. This comic film is set in the 1940's and highlights the mishaps and adventures of a young boy, named Ralph, trying to convince his parents, teachers, and Santa that a Red Ryder B.B. gun really is the perfect Christmas gift.

Told through a series of vignettes, narrated by the adult Ralphie, the film captures the chaos, quirks, and warmth of Ralphie's journey of growing up. He learns about consequences, disappointment, and resilience, all wrapped in the festive glow of Christmas.

Doors will be open at

The Film will start at

Refreshment Break at

tea or coffee, mince pies & sausage rolls

The film commences at

1.00 pm

1.30 – 2.30pm

2.30 – 3.00pm

3.00 - 3.45 pm

This is a FREE event

DON'T FORGET TO BRING YOUR POPCORN !

News From the Groups

Discovering Britain

Our most recent excursion began aboard a beautifully restored 1946 vintage bus, whose polished chrome and distinctive character instantly set the tone for the day. From Hucknall we travelled in style, enjoying the gentle hum of the old engine as we made our way through the countryside towards Wirksworth, in truth it was quite noisy, but fun.

At Wirksworth we transferred to an atmospheric steam train, its plume of white smoke curling above the carriages as we boarded. The rhythmic chug of the locomotive and the whistle's call brought an air of nostalgia, transporting us back to a golden age of travel. The journey offered fine views across the Derbyshire hills, made all the more enjoyable by the leisurely pace.

We were treated to a hearty full English breakfast; with eggs, bacon, sausages, beans, and toast, it was a satisfying highlight and provided the perfect opportunity to relax and chat while soaking in the traditional surroundings.

Re-boarding our vintage bus, we continued to the Crich Tramway Village. There we admired the heritage trams including a ride on the trams, an old fashioned sweet shop, ice cream and a satisfying pint in the Red Lion pub before beginning our final leg homeward, on 'Walter' our vintage bus. Returning to Hucknall in the 'comfort' of the 1946 bus completed a truly memorable day full of nostalgia, camaraderie, and timeless transport experiences.

Mark Thornley

Easy Cycling Group

Ride to Loughborough Two-Day Adventure

On Sunday, 14th September, eleven enthusiastic riders from the Cycle Group embarked on an exciting two-day cycling adventure to Loughborough. Setting off in fine spirits, on Sunday the group covered a total distance of 46 miles, enjoying pleasant but drizzly weather and lively conversation along the way. The route offered a delightful mix of countryside, canal paths, picturesque villages, and two well-earned refreshment stops, making the journey both enjoyable and memorable for all involved.

Upon arrival in Loughborough, we checked into the Travelodge for a well-deserved rest. After freshening up, everyone gathered for an evening meal at Wetherspoons, where good value food, drink and plenty of camaraderie were shared.

The following morning, plans for breakfast at the much-anticipated Tiffany's were dashed when the group discovered it was closed. Undeterred, we headed back to Wetherspoons, to enjoy a hearty breakfast before setting off for the return journey.

We were greeted with a yellow warning of wind; however we pressed on battling against the elements and tree debris on a shorter return route of 32 miles.

The two-day ride was a great success, and we thank John Saunders and Brian Carr for all their preparation and route selection.

Jim Spray, Easy Cycling Group Leader

Easy Walking Group

A casual walk around Colliers Wood and the surrounding area in beautiful sunshine was enjoyed by our group.

Colliers Wood was reclaimed following the closure of Moorgreen Colliery and now seems like it's always been there!

We ended our walk with the obligatory refreshment stop at Reuben Shaws Coffee Shop.

Another lovely social walk.

Film & Culture Group

This group exists simply to notify members of Hucknall u3a what films are being shown locally and when, plus other information on musical and local drama events. To receive a copy of this information please forward your email address to member, alansnape@hotmail.co.uk and I will forward the latest bulletin to you.

Alan Snape

Gardening Group

On September 1st the group travelled to Yorkshire for the last trip of the year to Harlow Carr. In spite of the weather we have had this year, the gardens were beautiful and still full of colour. The day was mostly dry and we enjoyed wandering around the gardens and following the various trails, seeing just what a colourful season Autumn can be. As usual Betty's Tearoom and cafe was a very welcome stopping place and refreshed all who tried the delicious fare. This garden is a good place to visit to get ideas for your own plot, both in variety, colour and size of plants.

October's meeting is at the JGC at 1.30 to 3.30 when we welcome Camilla Anderson who is speaking on Arts and Crafts and Edwardian gardens.

All are welcome as we are an open group.

Anne

History Group

At our last meeting David Skillen came to talk to us about the history of Belper the title was Nailers, Knitters and Traitors. From his images we understood about nailers their buildings and work. He talked about knitters telling us about the textile industry in Belper and that the wonderful museum had closed. Jedediah Strutt's Mill has survived though and can still be seen as you use the car park by the River Gardens where there is a tea room. Strutt is quite famous for inventing a new way to knit the beginnings for garments called the Derby Rib. Traitors were those who went over to America to explain how the knitting was done which took some of the work from Belper. David told us he is retiring from presenting the talks this year: it is such a shame that we won't see him again.

Our next meeting on the 15th October is a visit to the National Justice Museum. We are meeting at Weekday Cross at 1.45pm having walked down from the Lace Market tram stop.

At the November meeting we are back at Central Methodist Church 2 - 4pm when Trevor Lee is coming back as our speaker.

Maureen Newton

Litter Picking Group

A total of 14 bags of rubbish have been collected from our area this month by members of the group who are doing a sterling job trying to keep our environment tidy. One 'grot spot' which has been identified is the bottom end of the bypass. The problem is that it doesn't take long to fill a bag with rubbish. The bags then become rather heavy to carry to the nearest litter bin which is in a layby on the bypass. The area around the litter bin is also frequently strewn with rubbish some of which is from bags which have been ripped open probably by wildlife. Together with The Wombles who are also prolific Hucknall litter pickers our aim is to have another litter bin installed towards the lower end of the bypass.

Wish us luck with that project!

Val (Gant)

Luncheon Group

The luncheon group's latest visit in September was to the newly refitted 'A La Carte' Bistro Pierre restaurant in Nottingham. On Wednesday 29 October we are dining at the Gedling Inn & Kitchen, a slightly later date than usual. Please note the luncheon group are not meeting in November due to other groups organising events.

Christmas Meal - Tuesday 16 December 2025 - Albert Hall

We were hoping to collect the balance for the Christmas meal at the October monthly meeting, however other groups will be selling tickets at the same time, so we have postponed collecting the balance of £15.00 per person to the NOVEMBER meeting. We hope to announce details of venues and dates for the New Year in next month's newsletter. Once again thank you for all your support.

Ann & Rose

National Trust Group

National Trust visit to Kedleston Hall on Wednesday 24th of September.

The National Trust set off an hour later than usual as this month's destination involved a much shorter journey in to neighbouring Derbyshire. Despite encountering heavy traffic close to Deby itself we still arrived safely by 10.30 am. The weather was now looking favourable as we were met by a member of staff from Kedleston Hall.

The estate at Kedleston is both beautiful and extensive and many members used the estate walks to explore the estate taking on walks ranging from 1,2 miles to over two miles in length. Surrounded by beautiful water courses the walks were well explored.

The Hall itself proved a popular venue to explore as we looked at the Curzon family's fine collections including fine arts, furniture and Asian treasures.

There were also gardens, cafe , gift and plant shops to explore over the day.

The final National Trust visit this year sees us venture to Nostell near Wakefield in October before ending the year with a visit to Chester's Christmas Market in early December.

A huge thank you must go to Vallance Coaches who have provided coaches to a very high standard on all of our trips. Special thanks to the excellent drivers, Bob, Mick and Wayne.

Barrie and Sue

Not So Grumpy Old Men Group

In September, following the cheering up of some Grumpy Old Men, 26 of the combined Not So Grumpy Old Men Group visited the Hucknall Flight Test Museum, a venue many of them visited under its Rolls Royce Heritage banner 6 years before, but now expanded and improved.

Rolls Royce transformed aviation by innovative engineering solutions and designs and shaped the path of the modern jet engine, claiming many world firsts along the way.

After an introductory talk about the origins of the museum and how acquiring grade II listed status ensured at least a small part of the Rolls Royce site was not "developed" into housing, we were treated to guided talks on the world-leading testing facilities, the evolution (over a surprisingly short timeframe) of aero engine design and manufacture and an incredible collection of hand-built scale models of over 30 aircraft.

Many of the group were ex-Rolls Royce employees and the museum volunteers were keen to try to get them back to work!

Enthralled by the talks and exhibits, it was difficult to drag ourselves away for the post-visit lunch at the Nabb Inn.

Barrie

Science Group

Water Rockets and Polystyrene Aeroplanes: A Day of Experimentation

The science group met at Bestwood Country Park for a hands-on exploration of flight and propulsion. A focus of the meeting was launching water rockets, an activity that proved both challenging and entertaining. Despite our enthusiasm and numerous attempts to launch even with the expertise of John Tedstone and John Berril we encountered a staggering 95% failure rate with water rocket launches.

They either failed to lift off or experienced technical difficulties, usually due to insufficient air pressure, this providing plenty of opportunities for laughter among the spectators.

In contrast, the session on polystyrene aeroplane flying was notably more successful. Members enjoyed constructing and testing their lightweight planes.

Some of them soared impressively across the open spaces of the park, others experienced an early descent.

Our efforts highlighted the unpredictable nature of scientific experimentation. Overall, it was a memorable day, combining fun, frustration, and the thrill of discovery in a rural outdoor setting.

Our next meeting is on Friday October 17th at JGC 10am to 11.45 am

We have a presentation from group member Dr Jolanta Adamczewska who spent many years specialising in the field of lubricants.

Most of us know they are substances designed to reduce friction between surfaces in mutual contact, which ultimately minimises heat generation and wear.

We will learn that they have many other uses and there are different types both natural and synthetic.

Following the break we have an activity currently in development.

David Rose

Strollers Group

The Strollers Group enjoyed a pleasant walk around the Art Trail at Patchings Farm Art Centre near Calverton .

We were sorry to hear the place is up for sale and its future is unsure.

The photo shows the Monet Bridge which is unfortunately in bad repair and the lake is very overgrown but still a pretty site.

There was the usual Coffee Stop at the cafe on site.

Well worth a visit!

Theatre Trips Group

Northern Ballet MERLIN Theatre Royal 2.30 Saturday 18th October Tickets £38.00

Charlie & The Chocolate Factory Theatre Royal on 29th October 2025 at 2.30pm Tickets £27.00.

2026

Matthew Bournes's The Red Shoes, Theatre Royal, 7th February 2:30pm Tickets £62.50

Priscilla Queen of the Desert Theatre Royal Thursday 30th April, 2pm. Tickets £46.50

Northern Ballet: Gentleman Jack Theatre Royal Saturday 16th May , 2.30pm Tickets £51.00

Faulty Towers: The Play, Theatre Royal, Saturday 6th June, 2:30pm, Tickets £57.50

Barbara

Vegetarian Cookery Group

A good – sized group attended the September meeting when 3 recipes were again demonstrated and eaten. It has been a while since we last met so it was good to come together again. A huge thank you to Jane and to those who helped in the kitchen and also those who served the tasty morsels to the rest of the group. I could not do it without you.

The next meeting should be on Monday October 27, and then on November 24, both the 4th Monday of the month.

This group is now full and cannot take any new members for now.

Anne Wilkinson

Walking Group (Short Length Walks)

Thursday 18th September was a dull wet day and with several members either put off by the weather or on holiday we only had five hardy walkers for a gentle undulating walk around Gedling Country Park.

The views from the raised viewing platforms are usually spectacular but today we could just see the tall spire of Gedling Church poking through the mist.

En route we met a wise owl and few people walking their dogs before we reached the café for a well-earned hot drink.

Next Month Thursday October 16th

The postponed visit for the guided tour of Bennerley Viaduct is confirmed, I have contacted the 2 volunteer guides (another!) Dave and Angie who will be leading the way.

Full details will be sent to group members a week before the walk.

David Rose

Walking Group (Long Length Walks)

On 2nd September, we completed a pleasant circular walk beginning and ending in Brackenfield, taking in the villages of Woolley and Woolley Moor, before skirting the edge of Ogston Reservoir and returning, via Ogston. The route covered varied terrain, offering a mixture of village charm, open countryside, and scenic waterside paths.

Setting out from Brackenfield, the morning was bright but cool, with hints of autumn beginning to colour the hedgerows. The gentle ascent towards Woolley gave wide views over the Amber Valley, while the church and stone cottages provided a reminder of the area's long history. Continuing to Woolley Moor, the path crossed rolling farmland, alive with late summer bird activity.

From here, the route dropped steadily towards the reservoir. Walking along its wooded edge was a highlight, with calm reflections across the water and occasional glimpses of sailing boats and noting sightings of herons and grebes.

The return to Brackenfield was gradual and easy, passing hedgerows heavy with blackberries. The full circuit took just under four hours at a steady pace. Overall, this circular walk combined rural tranquillity with rich scenery, making it a thoroughly rewarding route to mark the beginning of autumn.
