Message from our Chair

Welcome to February, I really am hoping that it turns out to be much less grey than January has been. Just about everyone I know has been commenting on how depressing a start it has been to this year. I have to say I really feel the need for a break in sunnier climes!

The wet weather really has given me cause to be grateful I am in the u3a. When we've actually managed to get gardening on the allotment, in the infrequent breaks in the rain, the soil conditions have been horrible. Thank goodness we have had our u3a activities to force us out of the house and into the company of others.

Being a fair (and warmer) weather cyclist I also haven't been out on my bike at all this year but I know many of the group have – well done you intrepid souls. I've stuck to indoor activities like watercolours, pickleball, bridge etc. Speaking of indoor events don't forget that the February meeting will take place a week later on the 18th February 2026, where of course tickets will be on sale for the games afternoon the Social Sub Committee are organising on Friday 27th March 2026. As usual card payment is preferred.

It is of course membership renewal time in February, Paypal, via the members' web Portal (see website for details) is the preferred method as it really reduces admin for the Membership Secretary but we will have 2 Sum Up machines at the February meeting to take card payments. Please have your membership number at hand if you pay this way. Greg will of course be on hand to take any cash payments. Please only use cheques if you need to pay by post.

Speaking of Greg, we are still looking for his replacement as he has come to the end of his term of office. If this a role you think you could do please do speak to Greg or a member of the committee.

Tina Holmes, Chair

Monthly Meetings - Safety

As always please use the rear doors off the car park for access and ensure that you register yourself as attending, if leaving before the end of the meeting, it is important for health and safety that you sign yourselves out.

In the event of the fire alarm sounding, then please make your way to the rear car park by means of the rear doors if possible. The assembly point is the Scout Hut in the far corner of the car park.

Please wear your name badges, it is far easier to strike up a conversation if folk know your name.

Please remember to volunteer for the tea & coffee rota if you are able.

NOTICE

Experiencing the loss of someone you care about can be profoundly heart-breaking and overwhelming. At such a time any correspondence sent to the deceased can cause further upset & pain. If you learn that a Hucknall u3a member has passed away, please promptly notify the Membership Secretary or any Committee member. This will help us try to avoid u3a communications causing unnecessary distress to the family. Thank you.

Future Speakers

March 2026 – Alistair Littlewood – Tales from the Vikings

April 2026 – Edward Cook – Re-Wilding

May 2026 – Michael Burton – The River Trent

Interest Group Leaders and Helpers Meeting

On the 30th January, we held a get together and meeting for our Interest Group Leaders, Helpers and Committee Members.

With 42 people in attendance we had some very profitable discussions.

We started with a few updates from the Committee on Guidelines for: Affiliated and Temporary Members; Data Security; Group Finances and we had the opportunity to ask Committee Members any burning questions.

The main focus of the meeting was then to think about possible new Interest Groups.

As a Committee we would like to try and introduce a few more to our list of 47.

Those who attended the meeting were very helpful and I now have a list of possible new groups. Of course a new Interest Group needs a Leader, so we also discussed how best to achieve this and what sort of help is needed by a new Group Leader.

I will give you more detail in a future Newsletter, which will give me time to consider these possibilities.

We finished the meeting with six fictional Scenarios. These created a lively end to our meeting

Our Group Leaders and their Helpers are doing a great job and I would like to thank them all for their hard work.

Sue Tedstone (Group's Coordinator)

If that is you, male or female, please contact me on alansnape@hotmail.co.uk or 07940146542.

News From the Groups

Discussion Group

We welcomed PC Neil Reddish to our January meeting, to talk to us about his work and to discuss questions that the group would like answers and opinions on.

During the afternoon many subjects were discussed including:

What he likes about the job, what is the most difficult part, how the day is planned. How Neil's career had evolved to his current position.

How to contact them, where they are situated in Hucknall, phone numbers to ring. What areas of policing are covered locally.

Who pays for policing?. Why don't police explain modern policing methods to the general public?

More bobbies on the beat = less crime?. Where is our nearest Police Station? Ways of contacting them through Facebook and local Neighbourhood alerts to email addresses.

Do Police go into local schools to talk to students about knife crime and it's consequences?

The dangers of bikes, e-bikes and scooters etc.. What can be done about cars parking on pavements and corners.

How talking to the public is something which Neil felt was both important and rewarding.

After thanking Neil for an excellent session finishing with a cuppa and biscuits we discussed what a great afternoon we had and how future meetings could invite other professionals to visit us.

The next meeting is on Monday 23rd February 2026 at the John Godber.

Easy Walkers Group

Despite heavy rain and overcast skies, six hardy walkers boarded the tram to Nottingham to alight at Gregory Street and follow the course of the canal back to London Road. A coffee stop at Hopkinsons was a well needed break before our tram ride home. Thanks to those who attended!

Anne

Growing Old Disgracefully Group

Members of the "God Group" met at John Godber Centre for a talk given by the Road Safety Officer for Via East Midlands on prolonging safe driving for the older person. It was delivered in an informative and humorous way meaning we were happy to ask questions.

Some ladies took advantage of signing up for an accompanied drive with a driving instructor who will advise on any concerns in a very friendly way- no tests!

A very interesting talk .

History Group

Indoor meetings for the group are held at Central Methodist Church on Baker Street starting at 2pm and finishing about 4pm. It is an entrance fee of £2 please.

At our January meeting we learned a lot about writers who had links with Nottingham and entertainers like Ken Dodd and Morecambe & Wise who began their careers at the Nottingham Empire. I asked if Alex could supply us with his research notes for interest in the topic. He tells me a book by John Baird called 'Following the Moon & Stars: A literary Journey Through Nottinghamshire' is good or you could try researching at the library and online.

IMPORTANT NOTE ABOUT THE DATE OF FEBRUARY MEETING which has been changed to February 25th, due to altered dates at John Godber Centre. MORE CHANGES: Our speaker Ian Morgan has an unexpected hospital appointment and can't make our meeting. What a shame. Instead I have brought forward the meeting we would be having in November - 'Bring; Show and Tell' when members Bring an Artifact/Item/Book Show it and Tell us the story of why it is important to them. If you have something please mention it to me at the main meeting in John Godber on the 18th Feb. I'll be in the refreshment room. For information. There is another meeting in the church on the 25th so the car-park might be a bit busy.

Kathy & Sue will be in the foyer taking names and money £12 for our visit in April to the National Memorial Arboretum. Money is for cost of coach only: Admission is free. The coach leaves Hucknall at 10.30am and leaves the Arboretum at 4pm.

Litter Picking Group

January has been rather a soggy month so credit must go to those members of the group who have braved the wet weather and collected a total of 14 bags of rubbish within our area. Not only do the litter pickers get wet but so does the litter which makes it even heavier to carry. Last year 190 bags of rubbish were collected in total by the group. If anyone has any concerns about litter in a particular area please let us know and we will make every endeavour to deal with it.

Val (Gant)

Luncheon Group

The first meeting of the year for the luncheon group was to The Tee House (Golf Club) on Wigwam Lane, Hucknall. Over 40 members enjoyed a carvery meal (a vegetarian option was also available) along with an apple crumble and custard to follow, this was also optional.

Our next adventure on Wednesday 25 February is to 'Vaadi' the Mediterranean Restaurant on Annesley Road, Hucknall (used to be the Maltshovel). Currently the list is full, however we do operate a reserve list.

Also at the February gathering at Vaadi, we will be collecting the administration fee of £2.00 per head from each member. This yearly fee covers the costs of running the group and incidental costs which arise during the year. We would be grateful when paying to have the correct money.

Looking ahead, we have pencilled in for the March venture, The Springfield Inn at Lowdham. We will taking names at the next monthly meeting on Wednesday 18 February.

Thinking really ahead, we have been contacted by The Albert Hall in Nottingham where over 80 members enjoyed a superb Christmas lunch last December. We have already pencilled in the date for this December 2026, however they have warned us that costs are rising and there will be quite an increase on the price from last year. The members who attended the Golf Club last Wednesday indicated that a good majority would still be interested in going again this December. With that in mind we are going to confirm the booking for Wednesday 16 December 2026.

We would like to take this opportunity of thanking everyone who at-tends the luncheon group for their help and support.

Ann & Rose

Science Group

Our January 16th meeting was mainly dedicated to medical developments since the Middle Ages and included an introduction by John Tedstone who talked about a recent visit to the medical history section at the very busy Science Museum in London.

Next was me to talk about a famous early Doctor/Surgeon John of Arderne

John of Arderne (1307–1392) born in Newark, was a pioneering English surgeon often regarded as the father of English surgery. He honed his skills as a surgeon supporting John 'o Gaunt in the 100 years' war in France and more formally at Montpellier University.

He developed effective treatments for anal fistulas, created early anaesthetic mixtures using hemlock, henbane, and opium, and wrote influential surgical texts. His work blended practical skill with ethical guidance, shaping medieval medical practice.

There is a Wetherspoons pub in Newark which is named after him.

Science Group Visit Friday May 15th.

Our Science awayday is a visit to the Thackray Museum of Medicine in Leeds. See Below for details.

Preference for this visit is given to members of the science group; it will then be open to all u3a members. Details below.

Finally, we considered 'small' inventions since about 1850 and each group member has a chosen invention to research and prepare for a '3-minute talk'.

Our next meeting is on Friday February 20th 10am to 11.45am JGC

David Rose

An invitation to all members to join the Science Group Visit Friday on May 15th

There are spaces available for non-science group members to join us on this visit.

The venue is the Thackray Museum of Medicine in Leeds, which is the UK's largest independent medical museum, offering immersive galleries that trace the evolution of healthcare from Victorian street life to modern medical breakthroughs.

A real highlight is "Disease Street", a smelly, grimy depiction of what life used to be like in the slums of Leeds

Visitors can explore reconstructed historical settings, watch 19th-century surgical demonstrations, and engage with interactive exhibits designed to inspire curiosity about medicine and public health.

Located beside St James's University Hospital, the museum reopened in 2021 after major refurbishment and continues to host talks, workshops, and community events.

Vegetarian Cookery Group

The January meeting saw a good size group tasting a Mushroom and Vegetable traybake and Vegetable Tortillas. There was very little waste so everyone obviously enjoyed them!

The next meeting will be on Monday 23 February at St Peter and St Paul's hall on Ruffs Drive at 10.30 am.

We do still have a couple of spaces in this group so if anyone is interested please contact me via the u3a website or at the main u3a meetings.

Walking Group (Short Length Walks)

In January we flashed our bus passes on the 9.39am 141 from Linby village. It was on time and the driver seemed pleased to see an extra 22 passengers who got off at Larch Farm.

We started a linear route on the path alongside Kirkby Road before taking the woodland footpath towards Newstead Abbey.

Following a toilet and refreshment stop we continued back to Linby via Papplewick.

Our next walk is on Thursday February 19th. The location currently depends on conditions underfoot.

It will be about 4 miles (rather than the 5 we did in January). Details will be sent to the group w/c February 9th.

David Rose

Walking Group (Mid Length Walks)

Annual Photo Quiz

28 members of our Medium Walks Group recently took part in our City Centre Photo Quiz. This has become an annual fixture for our January walk, and this year we had 4 teams who each set off with a list of 26 streets, and 28 small photos, the object being to locate each of the building features pictured. Some of these are quite small, and can be 3 floors up in some cases.

This year, the weather was less cold, but also slightly damp after the start, and could have been a problem for writing down the locations; we had pencils, so we were prepared. One team suffered a slight delay when they found that their chosen Wetherspoons, for planning their route (and coffee), was closed all week!

Mark Jackson was in charge of the winning team, pictured, with 17 features located, and unusually we needed two tiebreaks to decide the team placings.

As in previous years, we retired to the Three Crowns pub opposite the Theatre Royal for a buffet lunch, while our organisers worked out the scores. Thanks go again to John Saunders and David Jackson for all the organisation and planning involved.

Our next walk will be on Monday, 16th February, and will be another City walk, taking in areas around the City centre which people may not be familiar with. New members are always welcome, just make contact via the tab on our website.

John Tedstone

Walking Group (Long Length Walks)

Our January walk ably led by Steve Evans was a varied 8.5 miles circular which began at Parfitt Lane car park in Farnsfield.

We set out along quiet paths toward the elegant grounds of Hexgreave Hall. The route continued through open countryside to Edingley, with wide views and peaceful but slightly frozen farmland. From there our route led toward the Farnsfield Bomber Memorial, a poignant spot commemorating the crew of the crashed Halifax III (MZ519, LK-U) of 578 Squadron.

All seven crew members were killed when the aircraft crashed near Farnsfield on 6 July 1944 after returning damaged from a raid on a V1 launch site.

The Parfitt Lane car park is fittingly named to remember Pilot Officer Reginald Parfitt, aged only 22 and his young crew.

Our final stretch returned through woodland and field paths, back to the car park.

The next walk is on Tuesday February 3rd. During the period of short daylight hours and wet winter months we tend not to travel too far and try to avoid muddy agricultural routes as much as possible.

So, we are starting from The Nabb Inn in Hucknall.

It will be led by Angela Francis who has extensive knowledge of the area as she frequently walks it with her two lively greyhounds.

Currently the Long Walk Group Leader Mark Thornley is recovering well from a recent knee replacement and should be back in action around May or June.

David Rose

Weekenders Group

We met up for a Christmas fuddle which was lovely. Whilst we were there we learnt a new game which we had not heard of before but was good fun. Some of us thoroughly enjoyed the Panto the Wizard of Oz at the John Godber Centre.

We had another planning meeting where we decided to go by train to Lincoln, we are also going on the Flying Scotsman later in the year. To round of the month we celebrated a 90th birthday at the Broomhill.
